

TÜRKİYE İŞ BANKASI A.Ş.
Issue of US\$500,000,000 Fixed Rate Resettable Tier 2 Notes due 2037
under its US\$7,000,000,000 Global Medium Term Note Programme
Issue price: 100.00%

The US\$500,000,000 Fixed Rate Resettable Tier 2 Notes due 2037 (the “Notes”) are being issued by Türkiye İş Bankası A.Ş., a banking institution organised as a joint stock company under the laws of the Republic of Türkiye (“Türkiye”) and registered with the İstanbul Trade Registry under number 431112 (the “Bank” or the “Issuer”) under its US\$7,000,000,000 Global Medium Term Note Programme (the “Programme”).

INVESTING IN THE NOTES INVOLVES RISKS. PROSPECTIVE INVESTORS SHOULD CONSIDER THE FACTORS SET FORTH UNDER “RISK FACTORS” FOR A DISCUSSION OF CERTAIN OF THESE RISKS.

The Notes have not been and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), of the United States of America (the “United States” or “U.S.”) or any other U.S. federal or state securities laws and are being offered: (a) for sale to “qualified institutional buyers” (each a “QIB”) as defined in, and in reliance upon, Rule 144A under the Securities Act (“Rule 144A”) and (b) for sale in offshore transactions to persons who are not “U.S. persons” (“U.S. persons”) as defined in, and in reliance upon, Regulation S under the Securities Act (“Regulation S”). For a description of certain restrictions on the sale and transfer of investments in the Notes, see “Plan of Distribution” herein and “Transfer and Selling Restrictions” in the Base Offering Circular (as defined under “Documents Incorporated by Reference”). Where the “United States” is referenced herein with respect to Regulation S, such shall have the meaning provided thereto in Rule 902 of Regulation S.

The Notes will bear interest from (and including) 30 January 2026 (the “Issue Date”) to (but excluding) 5 February 2032 (the “Reset Date”) at a fixed rate of 7.575% *per annum* (the “Initial Interest Rate”). From (and including) the Reset Date to (but excluding) 5 February 2037 (the “Maturity Date”), the Notes will bear interest at a fixed rate *per annum* equal to the Reset Interest Rate (as defined herein) (the Reset Interest Rate with the Initial Interest Rate, each an “Interest Rate”). Interest on the Notes will be payable semi-annually in arrear on the 5th day of each February and August (each an “Interest Payment Date”) up to (and including) the Maturity Date; provided that: (a) there will be a long first Interest Period (as defined in Condition 5.6) and the first Interest Payment Date will be 5 August 2026 and (b) if any such date is not a Payment Business Day (as defined in Condition 7.4), then the Noteholders will not be entitled to payment until the next Payment Business Day and, in any such case, will not be entitled to further interest or other payment in respect of such delay.

As provided in Condition 8, the Issuer may redeem all, but not some only, of the Notes: (a) subject (if required by applicable law) to having obtained the prior approval of the Banking Regulation and Supervision Agency (in Turkish: *Bankacılık Düzenleme ve Denetleme Kurumu*) (the “BRSA”) of Türkiye: (i) on any Payment Business Day from (and including) 5 November 2031 to (and including) the Reset Date or (ii) at any time upon the occurrence of a Tax Event (as defined in Condition 8.3) or (b) at any time upon the occurrence of a Capital Disqualification Event (as defined in Condition 8.4), in each case at their respective then Prevailing Principal Amount (as defined in Condition 5.6) together with all interest accrued and unpaid to (but excluding) the date of redemption. The Notes are otherwise scheduled to be redeemed by the Issuer at their respective then Prevailing Principal Amount on the Maturity Date. For a more detailed description of the Notes, see “Terms and Conditions of the Notes” (the “Conditions”) herein. Reference herein to a “Condition” is to the corresponding clause of the Conditions.

The Notes are subject to loss absorption upon the occurrence of a Non-Viability Event (as defined in Condition 6.4), in which case an investor in the Notes might lose some or all of its investment in the Notes. See Condition 6.1 and “Risk Factors - Risks Relating to the Structure of the Notes - Potential Permanent Write-Down.”

If at any time a Tax Event or a Capital Disqualification Event occurs, then the Issuer may, instead of giving notice to redeem the Notes pursuant to Condition 8.3 or 8.4, as the case may be, but subject to compliance with Applicable Banking Regulations (as defined in Condition 3.4) (including, if applicable, the prior approval of the BRSA), at any time (without any requirement for the consent or approval of the Noteholders) either substitute all (but not some only) of the Notes for Qualifying Tier 2 Securities (as defined in Condition 8.5) or vary the terms of the Notes so that they remain or become (as applicable) Qualifying Tier 2 Securities. See Condition 8.5.

There is currently no public market for the Notes. This Offering Circular constitutes “listing particulars” for the purposes of the admission of the Notes to the official list (the “Official List”) and to trading of the Notes on the Global Exchange Market (the “GEM”) of the Irish Stock Exchange plc trading as Euronext Dublin (“Euronext Dublin”) and does not constitute a prospectus for the purposes of Regulation (EU) No. 2017/1129 (as amended, the “Prospectus Regulation”). Application has been made to Euronext Dublin for the Notes to be admitted to the Official List and to trading on GEM and this Offering Circular has been approved by Euronext Dublin. GEM is not a regulated market for the purposes of Directive 2014/65/EU (as amended, “MiFID II”). References in this Offering Circular to the Notes being “listed” (and all related references) shall mean that the Notes have been admitted to the Official List and to trading on GEM.

Application has been made to the Capital Markets Board (the “CMB”) of Türkiye, in its capacity as competent authority under Law No. 6362 (the “Capital Markets Law”) of Türkiye relating to capital markets, for its approval of the issuance and sale of the Notes by the Bank outside of Türkiye. No Notes may be sold before the necessary approvals are obtained from the CMB. The CMB approval letter relating to the issuance of notes under the Programme based upon which the offering of the Notes is conducted was issued on 26 December 2025 and, to the extent (and in the form) required by applicable law, an approval of the CMB in relation to the Notes will be obtained on or before the Issue Date. The BRSA has also approved the issuance of the Notes.

The Notes are expected to be rated at issuance “B” by Fitch Ratings Limited (“Fitch”). A rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the assigning rating agency.

The Notes are being offered in reliance upon Rule 144A and Regulation S by each of Abu Dhabi Commercial Bank PJSC, BNP PARIBAS, Citigroup Global Markets Limited, Emirates NBD Bank PJSC, ING Bank N.V. and MUFG Securities EMEA plc (each a “Joint Bookrunner”), subject to their acceptance and right to reject orders in whole or in part. This Offering Circular is to be read in conjunction with all documents that are (or portions of which are) incorporated by reference herein (see “Documents Incorporated by Reference”). This Offering Circular shall be read and construed on the basis that such documents (or the applicable portions thereof) are incorporated into, and form part of, this Offering Circular.

None of the Agents (as defined in the Conditions), the Joint Bookrunners or any of their respective affiliates make any representation, warranty or undertaking, express or implied, as to the accuracy or completeness of the information contained in (including incorporated by reference into) this Offering Circular or any other information provided by (or on behalf of) the Issuer in connection with the Notes. To the full extent permitted by law, none of the Agents, the Joint Bookrunners or any of their respective affiliates accept any responsibility for: (a) the information contained in (including incorporated by reference into) this Offering Circular or any other information provided by (or on behalf of) the Issuer in connection with the issue and offering of the Notes (or beneficial interests therein), (b) any statement consistent with this Offering Circular made, or purported to be made, by a Joint Bookrunner or on its behalf in connection with the issue and offering of the Notes (or beneficial interests therein) or (c) any acts or omissions of the Issuer or any other Person (as defined in Condition 3.4) in connection with the issue and offering of the Notes (or beneficial interests therein). Each Joint Bookrunner accordingly disclaims (including on behalf of its affiliates) all and any liability that it might otherwise have (whether in tort, contract or otherwise) in respect of the accuracy or completeness of any such information or statements. The Joint Bookrunners expressly do not undertake to review the financial condition or affairs of the Issuer during the life of the Notes or to advise any investor or potential investor in the Notes of any information coming to their attention.

In connection with the issue and offering of the Notes (or beneficial interests therein), no Person is or has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Offering Circular or any other information supplied by (or with the consent of) the Issuer and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Joint Bookrunners.

Neither this Offering Circular nor any other information supplied by (or on behalf of) the Issuer, any of the Joint Bookrunners or any of their respective affiliates in connection with the Notes: (a) is intended to provide the basis of any credit or other evaluation or (b) should be considered as a recommendation by the Issuer, any of the Joint Bookrunners or any of their respective affiliates that any recipient of this Offering Circular or any such other information should invest in the Notes. Each investor contemplating investing in the Notes should: (i) determine for itself the relevance of the information contained in (including incorporated by reference into) this Offering Circular, (ii) make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and (iii) make its own determination of the suitability of any such investment in light of its own circumstances, with particular reference to its own investment objectives and experience, and any other factors that are relevant to it in connection with such investment, in each case, based upon such investigation as it deems necessary.

Neither this Offering Circular nor, except to the extent explicitly stated therein, any other information supplied by (or on behalf of) the Issuer or any of the Joint Bookrunners in connection with the issue of the Notes constitutes an offer or

invitation by (or on behalf of) the Issuer, any of the Joint Bookrunners or any of their respective affiliates to any Person to subscribe for or purchase any Notes (or beneficial interests therein). This Offering Circular is intended only to provide information to assist potential investors in deciding whether or not to subscribe for, or invest in, the Notes.

Neither the delivery of this Offering Circular nor the offering, sale or delivery of the Notes (or beneficial interests therein) shall in any circumstances imply that the information contained in (including incorporated by reference into) this Offering Circular is correct at any time subsequent to the date hereof (or, if such information is stated to be as of an earlier date, subsequent to such earlier date) or that any other information supplied in connection with the Notes is correct as of any time subsequent to the date indicated in the document containing the same.

GENERAL INFORMATION

The distribution of this Offering Circular and/or the offer or sale of Notes (or beneficial interests therein) might be restricted by law in certain jurisdictions. None of the Issuer or the Joint Bookrunners represents that this Offering Circular may be lawfully distributed, or that the Notes (or beneficial interests therein) may be lawfully offered, in any such jurisdiction or assumes any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer that is intended to permit a public offering of the Notes (or beneficial interests therein) or distribution of this Offering Circular, any advertisement or any other material relating to the Notes in any jurisdiction in which action for that purpose is required. Accordingly: (a) no Notes (or beneficial interests therein) may be offered or sold, directly or indirectly, and (b) neither this Offering Circular nor any advertisement or other material relating to the Notes may be distributed or published in any jurisdiction except, in each case, under circumstances that will result in compliance with all applicable laws. Persons into whose possession this Offering Circular or any Notes (or beneficial interests therein) come(s) must inform themselves about, and observe, any such restrictions on the distribution of this Offering Circular, any advertisement or other material relating to the Notes and the offering and/or sale of the Notes (or beneficial interests therein). In particular, there are restrictions on the distribution of this Offering Circular and the offer and/or sale of the Notes (or beneficial interests therein) in (*inter alia*) Türkiye, the United States, the European Economic Area (the “*EEA*”) (including Belgium), the UK, the People’s Republic of China (the “*PRC*”), the Hong Kong Special Administrative Region of the PRC (“*Hong Kong*”), Singapore, Japan, Canada, Switzerland and Thailand. See “Plan of Distribution” herein and “Transfer and Selling Restrictions” in the Base Offering Circular.

In making an investment decision with respect to the Notes, investors must rely upon their own examination of the Issuer and the terms of the Notes (or beneficial interests therein), including the merits and risks involved. The Notes have not been approved or disapproved by the Securities and Exchange Commission (the “*SEC*”) of the United States or any other securities commission or other regulatory authority in the United States and, other than the approvals of the BRSA and the CMB (*i.e.*, the Programme Approvals described below and the BRSA Tier 2 Approval described below), have not been approved or disapproved by any securities commission or other regulatory authority in Türkiye or any other jurisdiction, nor has any such authority approved this Offering Circular or confirmed the accuracy or determined the adequacy of the information contained in this Offering Circular. Any representation to the contrary might be unlawful.

None of the Joint Bookrunners, the Issuer or any of their respective affiliates, counsel or other representatives makes any representation to any actual or potential investor in the Notes regarding the legality under any law of its investment in the Notes. Any investor in the Notes should ensure that it is able to bear the economic risk of an investment in the Notes for an indefinite period of time.

The Notes might not be a suitable investment for all investors. As noted above, each potential investor contemplating making an investment in the Notes must make its own assessment as to the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and its own determination of the suitability of investing in the Notes in light of its own circumstances, with particular reference to its own investment objectives and experience, and any other factors that are relevant to it in connection with such investment, in each case, based upon such investigation as it deems necessary. In particular, each potential investor in the Notes should consider, either on its own or with the help of its financial and other professional advisors, whether it:

(a) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained in (including incorporated by reference into) this Offering Circular,

(b) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular circumstances, an investment in the Notes and the impact such investment will have on its overall investment portfolio,

(c) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including where the currency for principal and interest payments is different from such potential investor's currency and the possibility that the entire principal amount of the Notes could be lost, including following the exercise of any Write-Down of the Notes if the Issuer should become Non-Viable,

(d) understands thoroughly the terms of the Notes, such as the provisions governing any Write-Down (including under what circumstances a Non-Viability Event will occur), and is familiar with the behaviour of financial markets, and

(e) is able to evaluate possible scenarios for economic, interest rate and other factors that might affect its investment in the Notes and its ability to bear the applicable risks.

Legal investment considerations might restrict certain investments. The investment activities of certain investors are subject to laws and/or to review or regulation by certain authorities. Each potential investor in the Notes should consult its legal advisors to determine whether and to what extent: (a) the Notes (or beneficial interests therein) are legal investments for it, (b) its investment in the Notes can be used by it as collateral for various types of borrowing and (c) other restrictions apply to its purchase, holding or pledge of any Notes (or beneficial interests therein). Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of their investments in the Notes under any applicable risk-based capital or other rules. Each potential investor in the Notes should consult its own advisors as to the legal, tax, business, financial and related aspects of an investment in the Notes.

The Issuer has obtained the CMB approval letter (dated 26 December 2025 and numbered E-29833736-105.02.02-83383) and the CMB approved issuance certificate (in Turkish: *onaylanmış ihraç belgesi*) (approved by the decision of the CMB dated 25 December 2025 and numbered 67/2419) (together, the "CMB Approval") based upon which the offering of the Notes is being conducted. The Issuer also obtained the BRSA approval letter (dated 26 November 2025 and numbered E-20008792-101.02.01[44]-173266) (the "BRSA Approval" and, with the CMB Approval, the "Programme Approvals") required for the issuance of notes under the Programme. In addition to the Programme Approvals, but only to the extent (and in the form) required by applicable law, an approval of the CMB in respect of the Notes is required to be obtained by the Issuer on or before the Issue Date.

The Issuer also has obtained a letter dated 22 August 2025 numbered E-20008792-101.02.01[44]-164530 from the BRSA (the "BRSA Tier 2 Approval") approving the treatment of the Notes as Tier 2 Capital of the Issuer for so long as the Notes comply with the requirements of the Regulation on the Equity of Banks published in the Official Gazette No. 28756 dated 5 September 2013 (the "Equity Regulation"). The BRSA Tier 2 Approval is conditional upon the compliance of the Notes with the requirements of the Equity Regulation. Accordingly, among other requirements, if the Issuer invests in securities that qualify as Tier 2 Capital under the Equity Regulation issued by another bank or other financial institution holding an investment in the Notes, then (when including the Notes in the calculation of its capital) the Issuer will be required to deduct (but not to below zero) the amount of its investment in such securities from the amount of such bank or other financial institution's investment in the Notes. For a description of the regulatory requirements in relation to Tier 2 Capital, see "Turkish Regulatory Environment – Capital Adequacy" in the Base Offering Circular.

Pursuant to the Programme Approvals, the offer, sale and issue of the Notes have been authorised and approved in accordance with Decree No. 32 on the Protection of the Value of the Turkish Currency (as amended, "Decree 32"), the Banking Law No. 5411 of 2005 (as amended, the "Banking Law"), and its related law, the Capital Markets Law and the Communiqué on Debt Instruments No. VII-128.8 of the CMB (as amended, the "Debt Instruments Communiqué") and its related law.

In addition, in accordance with the Programme Approvals, the Notes (or beneficial interests therein) may only be offered or sold outside of Türkiye. Under the Programme Approvals, the BRSA and the CMB have authorised the offering, sale and issue of the Notes on the condition that no transaction that qualifies as a sale or offering of Notes (or beneficial interests therein) in Türkiye may be engaged in. Notwithstanding the foregoing, pursuant to the BRSA decision dated 6 May 2010 (No. 3665) and in accordance with Decree 32, residents of Türkiye may, in the secondary markets only, purchase or sell Notes (or beneficial interests therein) (as they are denominated in a currency other than Turkish Lira) in offshore transactions on an unsolicited (reverse inquiry) basis; *provided* that such purchase or sale is made through licensed banks authorised by the BRSA or licensed brokerage institutions authorised pursuant to CMB regulations and the purchase price is transferred through such licensed banks. As such, Turkish residents should use such licensed banks or such licensed brokerage institutions when purchasing Notes (or beneficial interests therein) and should transfer the purchase price through such licensed banks.

Potential investors should note that, under the Central Securities Depositories Regulation of the EU, a trade in the secondary markets within the European Union (the “EU”) might be required to settle in two applicable business days unless the parties to such trade expressly agree otherwise. Accordingly, investors who wish to trade interests in the Notes in the EU on the trade date relating to such Notes or the next business day will likely be required, by virtue of the fact that the Notes initially will likely settle on a settlement cycle longer than such number of days, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement.

Monies paid for the purchase of Notes (or beneficial interests therein) are not protected by the insurance coverage provided by the Savings Deposit Insurance Fund (in Turkish: *Tasarruf Mevduatı Sigorta Fonu*) (the “SDIF”) of Türkiye.

Pursuant to the Debt Instruments Communiqué, the Issuer is required to notify the Central Securities Depository of Türkiye (in Turkish: *Merkezi Kayıt Kuruluşu A.Ş.*) (trade name: Central Registry İstanbul (in Turkish: *Merkezi Kayıt İstanbul*)) (“Central Registry İstanbul”) within three İstanbul business days from the Issue Date of the amount, Issue Date, ISIN, interest commencement date, maturity date, interest rate, name of the custodian and currency of the Notes and the country of issuance.

Notes offered and sold to QIBs in reliance upon Rule 144A (the “Rule 144A Notes”) initially will be represented by beneficial interests in one or more global notes in registered form (each a “Rule 144A Global Note”) on the Issue Date. Notes offered and sold pursuant to Regulation S in offshore transactions to persons who are not U.S. persons (the “Regulation S Notes”) initially will be represented by beneficial interests in a global note in registered form (the “Regulation S Registered Global Note” and, with the Rule 144A Global Note(s), the “Global Notes”).

The Rule 144A Global Note(s) will be deposited on or about the Issue Date with The Bank of New York Mellon, New York Branch, in its capacity as custodian (the “Custodian”) for, and will be registered in the name of Cede & Co. as nominee of, DTC. Except as described in this Offering Circular, beneficial interests in the Rule 144A Global Note(s) will be represented through accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in DTC. The Regulation S Registered Global Note will be deposited on or about the Issue Date with a common depository (the “Common Depository”) for Euroclear and Clearstream, Luxembourg and will be registered in the name of a nominee of the Common Depository. Except as described in this Offering Circular, beneficial interests in the Regulation S Registered Global Note will be represented through accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in Euroclear and Clearstream, Luxembourg.

MIFID II PRODUCT GOVERNANCE / ELIGIBLE COUNTERPARTIES AND PROFESSIONAL CLIENTS ONLY TARGET MARKET

Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (a) the target market for the Notes (and beneficial interests therein) is eligible counterparties and professional clients only, each as defined in MiFID II, and (b) all channels for distribution of the Notes (and beneficial interests therein) to eligible counterparties and professional clients are appropriate. Any Person subsequently offering, selling or recommending the Notes (or beneficial interests therein) (for the purposes of this paragraph, a “distributor”) should take into consideration the target market assessment of such manufacturer; *however*, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (or beneficial interests therein) (by either adopting or refining the target market assessment of such manufacturer) and determining appropriate distribution channels.

UK MIFIR PRODUCT GOVERNANCE / ELIGIBLE COUNTERPARTIES AND PROFESSIONAL CLIENTS ONLY TARGET MARKET

Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (a) the target market for the Notes (and beneficial interests therein) is eligible counterparties (as defined in the FCA Handbook Conduct of Business Sourcebook) and professional clients (as defined in Regulation (EU) No. 600/2014 as it forms part of UK domestic law (as amended, “UK MiFIR”)), only, and (b) all channels for distribution of the Notes (and beneficial interests therein) to such eligible counterparties and professional clients are appropriate. Any Person subsequently offering, selling or recommending the Notes (or beneficial interests therein) (for purposes of this paragraph, a “distributor”) should take into consideration the target market assessment of such manufacturers; *however*, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “UK MiFIR Product Governance Rules”) is responsible for undertaking its own target market assessment in respect of the Notes (or beneficial interests therein) (by either adopting or refining the target market assessment of such manufacturers) and determining appropriate distribution channels.

U.S. INFORMATION

The Notes have not been and will not be registered under the Securities Act or any other U.S. federal or state securities laws and the Notes (or beneficial interests therein) may not be offered or sold in the United States or to, or for the account or benefit of, a U.S. person except pursuant to an exemption from the registration requirements of the Securities Act and in accordance with all applicable securities laws of the United States and each applicable state or other jurisdiction of the United States. In the United States, this Offering Circular is only being submitted on a confidential basis to QIBs under Rule 144A and to investors with whom “offshore transactions” under Regulation S can be entered into for informational use solely in connection with the consideration of an investment in the Notes. Its use for any other purpose in the United States or by any U.S. person is not authorised.

Potential investors within the United States or that are U.S. persons should note that the Issue Date for the Notes will be more than one relevant business day (this settlement cycle being referred to as “T+1”) following the trade date of the Notes. Under Rule 15c6-1 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), of the United States, a trade in the United States in the secondary market generally is required to settle in one business day unless otherwise expressly agreed to by the parties at the time of the transaction. Accordingly, investors who wish to trade interests in the Notes in the United States on any day earlier than the day prior to the Issue Date will likely be required, by virtue of the fact that the Notes initially will settle on a settlement cycle longer than T+1, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement.

To permit compliance with Rule 144A in connection with any resales or other transfers of the Notes (or beneficial interests therein) that are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer has undertaken in a deed poll dated 26 March 2024 (such deed poll as amended, restated or supplemented from time to time, the “Deed Poll”) that, so long as any of the Notes are such “restricted securities,” during any period when the Issuer is not subject to and in compliance with the reporting requirements of Section 13 or 15(d) of the Exchange Act or it is not exempt from such reporting requirements pursuant to and in compliance with Rule 12g3-2(b) under the Exchange Act, it will provide to each holder or beneficial owner of the Notes and to each prospective purchaser thereof (as designated by any such holder or beneficial owner), upon the request of such holder, beneficial owner or prospective purchaser, the information required to be provided pursuant to Rule 144A(d)(4) under the Securities Act.

PROHIBITIONS ON MARKETING AND SALES TO RETAIL INVESTORS

The Notes are complex financial instruments and are not a suitable or appropriate investment for all investors, especially retail investors. In some jurisdictions, regulatory authorities have adopted or published laws, regulations or guidance with respect to the offer or sale of securities with characteristics similar to the Notes. Potential investors in the Notes should inform themselves of, and comply with, any applicable laws or regulatory guidance with respect to any resale of the Notes (or any beneficial interests therein).

Prohibition of Sales to EEA Retail Investors. The Notes (and beneficial interests therein) are not intended to be offered, sold or otherwise made available to (and should not be offered, sold or otherwise made available to) any EEA Retail Investor in the EEA. For these purposes: (a) “*EEA Retail Investor*” means a person who is one (or both) of the following: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II or (ii) a customer within the meaning of Directive (EU) No. 2016/97 (as amended, the “*Insurance Distribution Directive*”) where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II and (b) the expression “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes (or beneficial interests therein) so as to enable an investor to decide to purchase or subscribe for the Notes (or beneficial interests therein). Consequently, no key information document required by Regulation (EU) No. 1286/2014 (as amended, the “*PRIIPs Regulation*”) for offering or selling the Notes (or beneficial interests therein) or otherwise making them available to EEA Retail Investors in the EEA has been prepared and, therefore, offering or selling the Notes (or beneficial interests therein) or otherwise making them available to any EEA Retail Investor in the EEA might be unlawful under the PRIIPs Regulation.

Prohibition of Sales to UK Retail Investors. The Notes (and beneficial interests therein) are not intended to be offered, sold or otherwise made available to (and should not be offered, sold or otherwise made available to) any UK Retail Investor in the UK. For these purposes: (a) “*UK Retail Investor*” means a person who is neither (i) a professional client as defined in point (8) of Article 2(1) of UK MiFIR nor (ii) a qualified investor as defined in paragraph 15 of Schedule 1 to the POATRs and (b) the expressions (i) “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes (or beneficial interests therein) so as to enable an investor to decide to purchase or subscribe for the Notes (or beneficial interests therein) and (ii) “POATRs” means the Public Offers and Admissions to Trading Regulations 2024. Consequently, no key information document required by the PRIIPs Regulation as it forms part of UK

domestic law (as amended, the “*UK PRIIPs Regulation*”) for offering or selling the Notes (or beneficial interests therein) or otherwise making them available to UK Retail Investors in the UK has been prepared and, therefore, offering or selling the Notes (or beneficial interests therein) or otherwise making them available to any UK Retail Investor in the UK might be unlawful under the UK PRIIPs Regulation.

Other Jurisdictions. In October 2018, the Hong Kong Monetary Authority issued guidance on enhanced investor protection measures on the sale and distribution of debt instruments with loss absorption features and related products (the “*HKMA Circular*”). Under the HKMA Circular, debt instruments with loss absorption features, being subject to the risk of being written-down or converted to ordinary shares, and investment products that invest mainly in, or whose returns are closely linked to the performance of, such instruments are to be targeted in Hong Kong at professional investors (as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong (the “*SFO*”) and any rules made under the SFO, a “*Hong Kong Professional Investor*”) only and are generally not suitable for retail investors in either the primary or secondary markets.

In Singapore, the Securities and Futures Act 2001 of Singapore (as amended, the “*SFA*”), the Financial Advisers Act (Chapter 110) of Singapore (the “*FAA*”), the Guidelines on Fair Dealing - Board and Senior Management Responsibilities for Delivering Fair Dealing Outcomes to Customers (the “*Guidelines on Fair Dealing*”) and the Code of Conduct for Private Banking in Singapore (the “*PB Code*”) contain additional obligations and/or guidance in relation to the marketing, offer and sale of the Notes to investors in Singapore. The SFA, the FAA, the Guidelines on Fair Dealing and the PB Code are together referred to as the “*Singapore Regulations*.”

The HKMA Circular and the Singapore Regulations are together referred to in this section as the “*Regulations*.”

The Joint Bookrunners are required to comply with some or all of the Regulations. By purchasing, or making or accepting an offer to purchase, any Notes (or a beneficial interest therein) from the Issuer and/or any Joint Bookrunner, each prospective investor represents, warrants and agrees with, and undertakes to, the Issuer and each of the Joint Bookrunners that:

(a) whether or not it is subject to the Regulations, it will not: (i) sell or offer the Notes (or any beneficial interests therein) to any retail clients or any person in Hong Kong that is not a Hong Kong professional investor or any person in Singapore that is not an “accredited investor” or an “institutional investor” (each as defined in Section 4A of the SFA, a “*Singapore Professional Investor*”) or (ii) communicate (including the distribution of this Offering Circular) or approve an invitation or inducement to participate in, acquire or underwrite the Notes (or any beneficial interests therein) where that invitation or inducement is addressed to or disseminated in such a way that it is likely to be received by a retail client or any person in Hong Kong or Singapore that is not a Hong Kong professional investor or a Singapore professional investor, respectively,

(b) if it is in Hong Kong, that it is a Hong Kong Professional Investor, and

(c) if it is in Singapore, that it is a Singapore Professional Investor.

The above obligations and Regulations are in addition to the need to comply at all times with all other applicable laws and regulatory guidance (whether inside or outside the EEA, the UK, Hong Kong, Singapore or any other jurisdiction) relating to the promotion, offering, distribution and/or sale of the Notes (or any beneficial interest therein), whether or not specifically mentioned in this Offering Circular, including (without limitation) any requirements under MiFID II or the FCA Handbook as to determining the appropriateness and/or suitability of an investment in the Notes for investors in any relevant jurisdiction.

Where acting as an agent on behalf of a disclosed or undisclosed client when purchasing, or making or accepting an offer to purchase, any Notes (or any beneficial interest therein) from the Issuer and/or any of the Joint Bookrunners, the foregoing representations, warranties, agreements and undertakings will be given by and be binding upon both the agent and its underlying client.

Potential investors should inform themselves of, and comply with, any applicable laws or regulatory guidance with respect to any resale of the Notes (or any beneficial interests therein).

NOTIFICATION UNDER SECTION 309B(1)(c) OF THE SECURITIES AND FUTURES ACT 2001 OF SINGAPORE

In connection with Section 309B(1) of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (as amended, the “*CMP Regulations 2018*”), the Issuer has determined the classification of the Notes as “prescribed capital markets products” (as defined in the *CMP Regulations 2018*) and “Excluded Investment Products” (as defined in the Monetary Authority of Singapore (the “*MAS*”) Notice SFA 04-N12: Notice on the Sale of Investment Products and the MAS Notice FAA-N16: Notice on Recommendations on Investment Products). This notification constitutes notice to “relevant persons” for purposes of Section 309B(1)(c) of the SFA.

STABILISATION

In connection with the issue of the Notes, Citigroup Global Markets Limited (the “*Stabilisation Manager*”) (or Persons acting on behalf of the Stabilisation Manager) might overallocate the Notes or effect transactions with a view to supporting the market price of an investment in the Notes at a level higher than that which might otherwise prevail; *however*, stabilisation might not necessarily occur. Any stabilisation action might begin on or after the date on which adequate public disclosure of the terms of the offer of the Notes is made and, if begun, might cease at any time, but it must end no later than the earlier of 30 days after the Issue Date and 60 days after the date of the allotment of the Notes. Any stabilisation action or overallocation must be conducted by the Stabilisation Manager (or Persons acting on behalf of the Stabilisation Manager) in accordance with all applicable laws and rules. Notwithstanding anything herein to the contrary, the Issuer may not (whether through overallocation or otherwise) issue more Notes than have been authorised by the CMB or are permitted to be issued under the Programme.

- (b) the audited consolidated BRSA Financial Statements of the Group as of and for the year ended 31 December 2023 (including comparative information for 2022 and, for balance sheet items, 31 December 2022) (including any notes thereto and the independent auditor’s audit report thereon) (the “*2023 BRSA Consolidated Annual Financial Statements*”),
- (c) the audited consolidated BRSA Financial Statements of the Group as of and for the year ended 31 December 2024 (including any notes thereto and the independent auditor’s audit report thereon) (the “*2024 BRSA Consolidated Annual Financial Statements*”),
- (d) the audited unconsolidated BRSA Financial Statements of the Bank as of and for the year ended 31 December 2023 (including comparative information for 2022 and, for balance sheet items, 31 December 2022) (including any notes

thereto and the independent auditor's audit report thereon) (with the 2023 BRSA Consolidated Annual Financial Statements, the "2023 BRSA Annual Financial Statements"),

- (e) the audited unconsolidated BRSA Financial Statements of the Bank as of and for the year ended 31 December 2024 (including any notes thereto and the independent auditor's audit report thereon) (with the 2024 BRSA Consolidated Annual Financial Statements, the "2024 BRSA Annual Financial Statements;" the 2023 BRSA Annual Financial Statements with the 2024 BRSA Annual Financial Statements being the "BRSA Annual Financial Statements"),
- (f) the unaudited consolidated BRSA Financial Statements of the Group as of and for the nine-month period ended 30 September 2025 (including comparative information for the same period of 2024 and, for balance sheet items, 31 December 2024) (including any notes thereto and the independent auditor's review report thereon) (the "BRSA Consolidated Interim Financial Statements"), and
- (g) the unaudited unconsolidated BRSA Financial Statements of the Bank as of and for the nine-month period ended 30 September 2025 (including comparative information for the same period of 2024 and, for balance sheet items, 31 December 2024) (including any notes thereto and the independent auditor's review report thereon) (with the BRSA Consolidated Interim Financial Statements, the "BRSA Interim Financial Statements").

Each of EY's and PwC's reports, as applicable, included in the BRSA Annual Financial Statements incorporated by reference herein contains a qualification with respect to free provisions that were provided by the Bank's management. For example: (a) such report from PwC in the 2024 BRSA Consolidated Annual Financial Statements states that the qualification was because a: "free provision amounting to TL 10,000,000 thousand, which was fully provided in prior years outside of the requirements of [the BRSA Principles], was reversed in the current year by the Group [sic] management as at 31 December 2024 Had this free provision not been accounted for in prior years and not been reversed in the current year, net profit and prior periods' profit would have decreased by TL 10,000,000 thousand and increased by TL 10,000,000 thousand respectively for the year ended 31 December 2024" and (b) such report from EY in the 2023 BRSA Consolidated Annual Financial Statements states that the qualification was the result of a free provision being provided by the Bank's management for "the possible effects of the negative circumstances which may arise from the possible changes in the economy and market conditions," which does not meet the criteria of Turkish Accounting Standards 37 ("Provisions, Contingent Liabilities and Contingent Assets") (see "Other General Information – Independent Auditors" in this Offering Circular and "Risk Factors – Risks Relating to the Group and its Business – Other Group-Related Risks – Audit Qualification" in the Base Offering Circular for further information). Neither of PwC's review reports included in the BRSA Interim Financial Statements incorporated by reference herein include a qualification.

The BRSA Financial Statements incorporated by reference herein, all of which are in English, were prepared as convenience translations of the corresponding Turkish language BRSA Financial Statements (which translations the Bank confirms were direct and accurate). The English language versions of such BRSA Financial Statements were not prepared for the purpose of their incorporation by reference into this Offering Circular.

Following the publication of this Offering Circular, a supplement to this Offering Circular might be prepared by the Issuer and approved by Euronext Dublin in accordance with Rules 3.10 to 3.13 of the Listing Rules. Statements contained in any such supplement (or contained in any document (or portions thereof) included or incorporated by reference therein) shall, to the extent applicable (whether expressly, by implication or otherwise), be deemed to modify or supersede statements contained in this Offering Circular or in a document (or portions thereof) that is incorporated by reference into this Offering Circular. Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Offering Circular. The obligation to supplement this Offering Circular in accordance with such Rule 3.10 does not apply when this Offering Circular is no longer valid (*i.e.*, when the Notes are admitted to the Official List and to trading on GEM).

Any statement contained in a document (or a portion thereof) that is incorporated by reference herein shall be modified or superseded for the purpose of this Offering Circular to the extent that a statement contained herein or in any other document (or, as applicable, relevant portion thereof) incorporated by reference herein, or in any supplement hereto, modifies or supersedes such earlier statement (whether expressly, by implication or otherwise). Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Offering Circular. Where there is any inconsistency between the information contained in this Offering Circular and the information contained in (or incorporated by reference into) the information incorporated by reference herein, the information set out in this Offering Circular shall prevail.

OVERVIEW OF THE OFFERING

The following overview sets out key information relating to the offering of the Notes, including the essential characteristics of, and risks associated with, the Issuer and the Notes. The following is indicative only, does not purport to be complete and is qualified in its entirety by the more detailed information appearing elsewhere in this Offering Circular (including in the documents (or portions thereof) incorporated by reference herein). Terms used in this overview and not otherwise defined herein shall have the meanings given to them in the Conditions.

Issue: US\$500,000,000 Fixed Rate Resetable Tier 2 Notes due 2037 (i.e., the Notes), which are issued in compliance with Article 8 of the Equity Regulation and the BRSA Tier 2 Approval and subject to the CMB's approval in accordance with the Debt Instruments Communiqué and Article 15(b) of Decree 32.

Interest and Interest Payment Dates: The Notes will bear interest from (and including) the Issue Date (i.e., 30 January 2026) to (but excluding) the Reset Date (i.e., 5 February 2032) at a fixed rate of 7.575% *per annum*. From (and including) the Reset Date to (but excluding) the Maturity Date (i.e., 5 February 2037), the Notes will bear interest at a fixed rate *per annum* equal to the Reset Interest Rate. Interest on the Notes will be payable semi-annually in arrear on each Interest Payment Date (i.e., 5 February and 5 August in each year) up to (and including) the Maturity Date; *provided that:* (a) there will be a long first Interest Period (as defined in Condition 5.6) and the first Interest Payment Date will be 5 August 2026 if any such date is not a Payment Business Day (as defined in Condition 7.4), then the Noteholders will not be entitled to payment until the next Payment Business Day and, in any such case, will not be entitled to further interest or other payment in respect of such delay.

The Reset Interest Rate means the rate *per annum* equal to the aggregate of: (a) the Reset Margin (i.e., 3.653% *per annum*) and (b) the CMT Rate (as defined in Condition 5.6), as determined by the Fiscal Agent on the third Business Day immediately preceding the Reset Date (i.e., the Reset Determination Date).

Maturity Date: Unless previously redeemed or purchased and cancelled as provided in the Conditions, the Notes will be redeemed by the Bank at their respective then Prevailing Principal Amount on the Maturity Date (i.e., 5 February 2037).

Use of Proceeds: The net proceeds of the offering of the Notes will be used by the Bank for general corporate purposes.

Regulatory Treatment: Application was made by the Bank to the BRSA for confirmation that the full principal amount of the Notes will qualify for initial treatment as "Tier 2" capital (as provided under Article 8 of the Equity Regulation), which approval (i.e., the BRSA Tier 2 Approval) has been received. See "Turkish Regulatory Environment - Capital Adequacy – Tier 2 Rules" in the Base Offering Circular.

Status and Subordination: The Notes (and claims for payment by the Issuer in respect thereof) will constitute direct, unsecured and subordinated obligations of the Issuer and will, in the case of a Subordination Event and for so long as that Subordination Event subsists, rank:

- (a) subordinate in right of payment to the payment of all Senior Obligations,
- (b) *pari passu* without any preference among themselves and with all Parity Obligations, and
- (c) in priority to all payments in respect of Junior Obligations.

By virtue of such subordination of the Notes, no amount will, in the case of a Subordination Event and for so long as that Subordination Event subsists, be paid under the Notes until all payment obligations in respect of Senior Obligations have been satisfied. Please refer to Condition 3.1.

Non-Viability/Write-Down of the Notes:.....If a Non-Viability Event occurs at any time, then the Issuer will:

- (a) *pro rata* with the other Notes and (if any exist) all Parity Loss-Absorbing Instruments, and
- (b) in conjunction with, and such that no Write-Down shall take place without there also being:
 - (i) the maximum possible reduction in the principal amount of, and/or corresponding conversion into equity being made or other similar or equivalent action being taken in respect of, all Junior Loss-Absorbing Instruments (including Additional Tier 1 Capital) in accordance with the provisions of such Junior Loss-Absorbing Instruments, and
 - (ii) the implementation of Statutory Loss-Absorption Measures, involving the absorption by all Junior Obligations (including common equity Tier 1 capital (in Turkish: *çekirdek sermaye*)) to the maximum extent allowed by applicable law of the relevant loss(es) giving rise to the Non-Viability of the Issuer within the framework of the procedures and other measures by which the relevant loss(es) of the Issuer giving rise to the Non-Viability Event may be absorbed by such Junior Obligations pursuant to Article 71 of the Banking Law and/or otherwise under Turkish law,

reduce the then Prevailing Principal Amount of each outstanding Note by the relevant Write-Down Amount in the manner described in Condition 6. Please refer to Condition 6 for further information on such potential Write-Downs, including for the definitions of various terms used in this section.

No Set-off or Counterclaim:.....All payment obligations of, and payments made by, the Issuer on the Notes must be determined and made without reference to any right of set-off or counterclaim of any holder of the Notes, whether arising before or in respect of any Subordination Event. By virtue of the subordination of the Notes, following a Subordination Event and for so long as that Subordination Event

subsists and prior to all payment obligations in respect of Senior Obligations having been satisfied, no holder of the Notes is permitted to exercise any right of set-off or counterclaim in respect of any amount owed to such holder by the Issuer in respect of the Notes and any such rights will be deemed to be waived. Please refer to Condition 3.2.

No Link to Derivative Transactions or Issuer-provided

Security: The Issuer will not: (a) link its obligations in respect of the Notes to any derivative transaction or derivative contract or (b) provide any direct or indirect guarantee or security (in Turkish: *teminat*) for such obligations, in each case in a manner that would result in a violation of Article 8(2)(b) of the Equity Regulation. Please refer to Condition 3.3.

Certain Covenants: The Conditions provide that the Issuer agrees to certain limited covenants. Please refer to Condition 4.

Issuer Call: The Issuer may, having given not less than 30 nor more than 60 days' notice to the Noteholders (which notice will be irrevocable and will specify the date fixed for redemption), redeem all, but not some only, of the Notes, subject (if required by applicable law) to having obtained the prior approval of the BRSA, on any Payment Business Day from (and including) 5 November 2031 to (and including) the Reset Date (*i.e.*, 5 February 2032) at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption. Please refer to Condition 8.2.

Optional Redemption for Taxation Reasons: The Issuer may, having given not less than 30 nor more than 60 days' notice to the Noteholders (which notice will be irrevocable and will specify the date fixed for redemption), redeem all, but not some only, of the Notes, subject (if required by applicable law) to having obtained the prior approval of the BRSA, on any Payment Business Day at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption upon the occurrence of a Tax Event after 28 January 2026. Please refer to Condition 8.3.

Optional Redemption upon a Capital Disqualification

Event: The Issuer may, having given not less than 30 nor more than 60 days' notice to the Noteholders (which notice will be irrevocable and will specify the date fixed for redemption, which date will not be earlier than the date falling three months before the date on which the Notes (or the applicable portion thereof) cease to be eligible for inclusion as Tier 2 Capital of the Issuer), redeem all, but not some only, of the Notes on any Payment Business Day at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption upon the occurrence of a Capital Disqualification Event. Please refer to Condition 8.4.

Substitution or Variation instead of Redemption: If at any time a Tax Event or a Capital Disqualification Event has occurred that then allows the Issuer to redeem the Notes pursuant to Condition 8.3 or 8.4, as the case may be, the Issuer may, instead of giving notice to redeem the Notes, but subject to compliance with Applicable Banking Regulations (including, if applicable, the prior approval of the BRSA) and having given

not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 14 (which notice will be irrevocable), at any time (without any requirement for the consent or approval of the Noteholders) either substitute all (but not some only) of the Notes for Qualifying Tier 2 Securities or vary the terms of the Notes so that they remain or become (as applicable) Qualifying Tier 2 Securities. See Condition 8.5.

Taxation; Payment of Additional Amounts: Subject to certain customary exceptions set out in Condition 9, all payments of principal and interest on the Notes by (or on behalf of) the Issuer are to be made without withholding or deduction for, or on account of, any present or future Taxes imposed, assessed or levied by (or on behalf of) any Relevant Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer will pay such Additional Amounts as shall be necessary in order that the net amounts received by the holders of the Notes after such withholding or deduction shall equal the respective amounts that would have been receivable on the Notes in the absence of such withholding or deduction. Please refer to Condition 9.

Under current Turkish law, withholding tax at the rate of 0% applies on payments of interest on the Notes. See "Taxation - Certain Turkish Tax Considerations" in the Base Offering Circular.

RISK FACTORS

An investment in the Notes involves risk. Prospective investors in the Notes should carefully consider the information contained in this Offering Circular and the documents (or portions thereof) that are incorporated by reference herein, and in particular should consider all of the risks inherent in making such an investment, including the information under the heading “Risk Factors” in the Base Offering Circular to the extent that such are incorporated by reference herein (the “Programme Risk Factors”), before making a decision to invest in the Notes. Investors in the Notes assume the risk that the Issuer might become insolvent or otherwise be unable to make all payments due in respect of the Notes.

There is a wide range of factors that individually or together might result in the Issuer becoming unable to make payments due in respect of the Notes. It is not possible to: (a) identify all such factors as the Issuer might not be aware of all relevant factors and certain factors that it currently deems not to be material might become material as a result of the occurrence of future events of which the Issuer does not have knowledge as of the date of this Offering Circular or (b) rank their materiality. The Issuer has identified in (including by incorporating by reference into) this Offering Circular a number of factors that might materially adversely affect its ability to make payments due under the Notes, including the matters described in the Programme Risk Factors; however, the Issuer does not represent that the risks set out in (including those incorporated by reference into) this Offering Circular are exhaustive or that other risks might not arise in the future. In addition, factors identified by the Issuer that are material for the purpose of assessing the market risks associated with the Notes are also described below.

Prospective investors in the Notes should consult with appropriate professional advisors to make their own legal, tax, business and financial evaluation of the merits and risks of investing in the Notes.

References in the Programme Risk Factors to “Notes” shall be construed as references to the Notes described in this Offering Circular.

As a large national Turkish bank, the Issuer’s business is significantly impacted by the condition of the Turkish economy, which itself is significantly influenced by Turkish political circumstances and global economic conditions (particularly in those countries with whom Türkiye has a material trading relationship). The category of risk factors entitled “Risk Factors - Risks Relating to Türkiye” in the Base Offering Circular describes the material risks relating to Türkiye that the Issuer’s management has identified as potentially having a material impact on the Issuer, including those impacting materially on its business, financial condition and/or results of operations and thus on its ability to make payments due in respect of the Notes.

In addition to the macroeconomic conditions relating to Türkiye, the Group’s business, financial condition and results of operations, and thus its ability to make payments due in respect of the Notes, are also subject to significant risks specific to the Group, including the ones discussed in the category of risk factors entitled “Risk Factors - Risks Relating to the Group and its Business” in the Base Offering Circular. Prospective investors in the Notes should also consider risks relating to the market for the Notes, the material ones of which that have been identified by the Issuer’s management are described in the category of risk factors entitled “Risk Factors - Risks Relating to the Notes – Risks Relating to Investments in the Notes Generally” in the Base Offering Circular.

The exposure of the Group’s business to a market downturn in Türkiye or the other markets in which it operates, or any other risks, might exacerbate or trigger other risks that the Group faces. For example, if the Group incurs substantial losses due to an economic downturn in Türkiye, then its need for liquidity and/or capital might rise sharply while its access to such liquidity and/or capital might be impaired. In addition, in conjunction with an economic downturn, the Group’s counterparties might experience substantial financial difficulties of their own, thereby weakening their financial condition and increasing the credit risk of the Group’s exposure to such counterparties. As such, the risks identified in (including those incorporated by reference into) this Offering Circular should be understood in the context that more than one might apply concurrently and compound any adverse effects on the Group’s business, financial condition and/or results of operations.

Risks Relating to the Structure of the Notes

While the risks described above are important with respect to the Issuer’s ability to make payments due in respect of the Notes, there are additional risks that should be considered by investors in the Notes, including risks relating to the nature of the structure of the Notes. As an issue of subordinated capital notes, the Notes present investors with certain risks that are not applicable to investments in senior obligations issued by the Issuer, including greater risks relating to non-payment (and even a Write-Down) of the Notes. Such risks that the Issuer’s management has identified as having a material impact on investors in the Notes are set out below; *it being understood* that the following does not address any specific conditions of, or

circumstances relating to, any particular investor (including such investor's own tax, regulatory or other circumstances) but rather to investors generally speaking.

Subordination – Claims of Noteholders under the Notes will be subordinated, unsecured and unguaranteed

The Bank's obligations under the Notes will constitute subordinated and unsecured obligations of the Bank. On any distribution of the assets of the Issuer on its dissolution, winding-up or liquidation (as further described in the definition of "Subordination Event" in Condition 3.4), and for so long as such Subordination Event subsists, the Issuer's obligations under the Notes will rank subordinate in right of payment to the payment of all Senior Obligations and no amount will be paid under the Notes until all such Senior Obligations have been satisfied. Unless the Issuer has assets remaining after making all such payments in such circumstances, no payments will be made on the Notes.

No other member of the Group has guaranteed, or will have any liability for, the Notes (and the BRSA Financial Statements of the Group incorporated into (and discussed in) this Offering Circular should be understood accordingly as the Bank might not have the ability to access the assets of other members of the Group, including receiving dividends from such other members of the Group). Consequently, although the Notes might provide for a higher interest rate than indebtedness of the Issuer that is not subordinated, there is a real risk that an investor in the Notes might lose some or even all of its investment upon the occurrence of a Subordination Event.

Potential Permanent Write-Down – The Prevailing Principal Amount of a Note might be permanently Written Down upon the occurrence of a Non-Viability Event

If a Non-Viability Event occurs at any time, then the Prevailing Principal Amount of each outstanding Note will be Written Down by the relevant amount specified by the BRSA in the manner described in Condition 6.1. A Non-Viability Event is defined in Condition 6.4 as the determination by the BRSA that, upon the incurrence of a loss by the Issuer (on a consolidated or non-consolidated basis), the Issuer has become, or it is probable that the Issuer will become, Non-Viable. The Issuer is Non-Viable at the point at which the BRSA may determine pursuant to Article 71 of the Banking Law that: (a) the Issuer's operating licence is to be revoked and the Issuer liquidated or (b) the rights of all of the Issuer's shareholders (except to dividends), and the management and supervision of the Issuer, are to be transferred to the SDIF on the condition that losses are deducted from the capital of existing shareholders.

In conjunction with any determination of Non-Viability of the Issuer by the BRSA: (a) losses might be absorbed by shareholders of the Issuer pursuant to Article 71 of the Banking Law upon the transfer of shareholders' rights (except to dividends) and the management and supervision of the Issuer to the SDIF, on the condition that such losses are deducted from the capital of the shareholders, and/or (b) the BRSA might require the revocation of the Issuer's operating licence and its liquidation; *however*, the Write-Down of the Notes might take place before any such transfer or liquidation.

As noted in the italicised paragraphs in Condition 6.1, while the Notes may be Written Down before any transfer or liquidation as described in the preceding paragraph, a Write-Down must take place in conjunction with the revocation of the Issuer's operating licence and liquidation or such transfer of shareholders' rights to the SDIF, in each case pursuant to Article 71 of the Banking Law, in order that the respective rankings described in Condition 3.1 are maintained and the relevant loss(es) are absorbed by Junior Obligations (including the US\$500,000,000 Perpetual Fixed Rate Resettable Additional Tier 1 Notes issued by the Issuer in January 2025 (the "2025 ATI Notes")) to the maximum extent possible. In this respect, such action will be taken as is decided by the BRSA. Where a Write-Down of the Notes takes place before any such liquidation of the Issuer, Noteholders would only be able to claim and prove in such liquidation in respect of the Prevailing Principal Amount (if any) of the Notes following such Write-Down.

Any Write-Down of the Notes would be permanent and the Noteholders will have no further claim against the Issuer in respect of any Written-Down Amount. If, at any time, the Notes are Written Down in full, then the Notes will be cancelled and the Noteholders will have no further claim against the Issuer in respect of any Notes.

As of the date of this Offering Circular, there are a number of corrective, rehabilitative and restrictive measures that the BRSA may require to be taken under Articles 68 to 70 of the Banking Law prior to any determination of the Non-Viability of the Issuer. In addition to the measures referred to in those Articles, the BRSA may also request other measures, including calling for an increase in the Issuer's own funds, which the BRSA may look for the Issuer to achieve through the issue of additional common shares (whether to existing or new shareholders). The scope and manner of implementation of the measures described above would be decided solely by the BRSA.

Notwithstanding the above, should the BRSA determine that the Notes are to be Written Down before the absorption of the relevant loss(es) by shareholders of the Issuer pursuant to Article 71 of the Banking Law or any other Statutory Loss-Absorption Measure, there can be no assurance that such loss absorption will take place or that it will be taken into account by the BRSA in the determination of the Write-Down Amount of the Notes. Should such loss absorption not take place or not be so taken into account by the BRSA, subject as described in “-Limited Remedies” below, a Noteholder may institute proceedings against the Issuer to enforce Condition 6.1; *however*, to the extent any judgment was obtained in the UK on the basis of English law as the governing law of the Notes (other than those provisions of the Conditions governed by Turkish law), there is uncertainty as to the enforceability of any such judgment by Turkish courts. In addition, there are certain circumstances in which the courts of Türkiye might not enforce a judgment obtained in the courts of another country, which are more fully described under the section entitled “Enforcement of Judgments and Service of Process” in the Base Offering Circular. There can therefore be no assurance that a Noteholder would be able to enforce in Türkiye any judgment obtained in the courts of another country, including in these circumstances.

Consequently, there is a substantial risk that an investor in the Notes will lose some or even all of its investment in the Notes upon the occurrence of a Non-Viability Event. The occurrence of a Non-Viability Event, or even the expectation or suggestion of a Non-Viability Event, might materially adversely affect the rights of Noteholders, the value and/or market price of an investment in the Notes and/or the amounts payable by the Issuer in respect of the Notes. See Condition 6 for further information on the Write-Down of the Notes, including for the definitions of various terms used in this risk factor.

Unpredictable Nature of a Non-Viability Event – The circumstances that might give rise to a Non-Viability Event are unpredictable

The occurrence of a Non-Viability Event is inherently unpredictable and depends upon a number of factors, many of which are outside of the Issuer’s control. For example, the occurrence of one or more of the risks described in “Risk Factors - Risks Relating to the Group and its Business” in the Base Offering Circular might materially increase the likelihood of the occurrence of a Non-Viability Event.

Due to the inherent unpredictability of the occurrence of a Non-Viability Event, it is not possible to predict when, if at all, the Notes will be subject to a Write-Down. Accordingly, trading behaviour in respect of the Notes is not necessarily expected to follow trading behaviour associated with other types of interest-bearing securities. Any indication that the Issuer and/or the Group, as applicable, is trending towards a Non-Viability Event can be expected to have an adverse effect on the market price of an investment in the Notes. Under such circumstances, investors might not be able to sell their investments in the Notes easily or at prices comparable to other similar-yielding instruments.

No Limits on Senior Obligations or Parity Obligations – There is no limitation in the Conditions on the Issuer’s incurrence of Senior Obligations or Parity Obligations

There is no restriction in the Conditions on the amount of Senior Obligations or Parity Obligations that the Issuer may incur. The incurrence of any such obligations might reduce the amount recoverable by the Noteholders on any dissolution, winding-up or liquidation of the Issuer and might result in an investor in the Notes losing some or even all of its investment.

In addition, Parity Obligations (and even Junior Obligations, including Additional Tier 1 Capital) might provide their holders with contractual or legal rights that differ from those available under the Notes, including (without limitation) the potential for conversion into equity and/or the potential for future write-ups after any write-downs. As a result, the impact of any write-down event relating to the Notes and/or such other obligations might differ among the various investors depending upon the rights afforded to them under the relevant contracts and/or applicable law.

Limited Remedies – Investors will have limited remedies under the Notes

Upon the occurrence of an Enforcement Event, a holder of a Note will only be able to exercise certain limiting remedies as described in Condition 11, including having the ability to claim or prove for payment in the dissolution, winding-up or liquidation of the Issuer. Noteholders also may institute proceedings against the Issuer as described in Condition 11 to enforce any obligation, condition, undertaking or provision binding upon the Issuer under the Notes (other than, without prejudice to the previous sentence, any obligation for the payment of any principal or interest in respect of the Notes) but will not have any other right of acceleration under the Notes, whether in respect of any default in payment or otherwise.

No remedy against the Issuer other than as provided above will be available to the holders of Notes, including (without limitation) for the recovery of amounts owing in respect of the Notes or otherwise in respect of any of the Enforcement Events or in respect of any breach by the Issuer of any of its covenants or other obligations under the Notes.

In addition, in accordance with Condition 3.2, all payment obligations of, and payments made by, the Issuer under and in respect of the Notes will be determined and made without reference to any right of set-off or counterclaim of any holder of the Notes, whether arising before or in respect of any Subordination Event. By virtue of the subordination of the Notes, following a Subordination Event and for so long as that Subordination Event subsists and prior to all payment obligations in respect of Senior Obligations having been satisfied, no holder of the Notes is permitted to exercise any right of set-off or counterclaim in respect of any amount owed to such holder by the Issuer in respect of the Notes and any such rights will be deemed to be waived.

Reset Interest Rate – The interest rate on the Notes will be reset on the Reset Date, which might affect interest payments on an investment in the Notes and/or the market price of any such investment

The Notes will initially bear interest at the Initial Interest Rate to (but excluding) the Reset Date, at which time the Interest Rate will be reset to the Reset Interest Rate. The Reset Interest Rate, which will be affected by market and numerous other conditions in effect at the time of its determination, might be less than the Initial Interest Rate. In addition, the Reset Margin used in calculating the Reset Interest Rate might, on the Reset Date, be lower than the margin that would apply to a similar security being issued on the Reset Date. The unpredictability of the Reset Interest Rate thus might negatively affect the market price of an investment in the Notes. See Condition 5 for further information of such resetting of the Interest Rate.

Early Redemption – The Notes may be subject to early redemption in certain circumstances

In accordance with Condition 8, the Issuer will, in certain circumstances described below, have the right to redeem all, but not some only, of the Notes prior to the Maturity Date at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption. This optional redemption feature is likely to limit the market price of an investment in the Notes because the market price of an investment in the Notes generally will not rise substantially above the price at which they can be redeemed.

In addition, an investor might not be able to reinvest the redemption proceeds at an effective interest rate as high as the then-applicable Interest Rate on the Notes and might only be able to do so at a significantly lower interest rate (or through taking on a greater credit risk). Reinvestment risk should be an important element of an investor's consideration in investing in the Notes.

At the option of the Issuer. In accordance with Condition 8.2, the Issuer will have the right to redeem all, but not some only, of the Notes, subject (if required by applicable law) to having obtained the prior approval of the BRSA, on any Payment Business Day from (and including) 5 November 2031 to (and including) the Reset Date (*i.e.*, 5 February 2032), in each case at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption. As of the date of this Offering Circular, the approval of the BRSA is required by applicable law and (under Article 8(2)(d) of the Equity Regulation) such approval is subject to the conditions that, among other things: (a) the Notes are replaced with another debt instrument either of the same quality or higher quality, and such replacement does not have a restrictive effect on the Issuer's ability to sustain its operations or (b) the Issuer continues to satisfy its applicable capital requirements following the exercise of the redemption option (see "Turkish Regulatory Environment – Capital Adequacy – Tier 2 Rules" in the Base Offering Circular). The Issuer will have the right to redeem the Notes pursuant to this optional redemption feature even following a Write-Down of the Notes (including where such Write-Down occurs following the delivery to the Noteholders of a notice of redemption and prior to the relevant redemption of the Notes). Accordingly, in any such redemption, Noteholders would only receive the Prevailing Principal Amount remaining after any such Write-Down.

The Issuer has no obligation to make any such redemption at any time. Please note that the 2025 AT1 Notes may be called by the Issuer in a similar manner from 15 January 2030 to (and including) 15 July 2030 and then each six months thereafter, the Issuer's decision with respect to which might impact its levels of capital and/or its consideration of voluntarily redeeming the Notes.

If the Issuer elects to redeem or not redeem the Notes in accordance with Condition 8.2 or if there is an anticipation that the Issuer will so redeem or not redeem the Notes, then this might lead to fluctuations in the market price of an investment in the Notes.

Taxation: If a Tax Event (as defined in Condition 8.3) occurs at any time after the Agreement Date, then the Issuer will have the right to redeem all, but not some only, of the Notes, subject (if required by applicable law) to having obtained the prior approval of the BRSA, on any Payment Business Day at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption. As of the

date of this Offering Circular, the withholding tax rate on interest payments on bonds (such as the Notes) issued outside of Türkiye by corporations that are tax residents of Türkiye varies depending upon the original maturity of such bonds as specified under the Council of Ministers' Decree No. 2009/14593 dated 12 January 2009, as amended by Decree No. 2010/1182 dated 20 December 2010, Decree No. 2011/1854 dated 26 April 2011 and Presidential Decree No. 842 dated 20 March 2019 (together, the "Tax Decrees"). Pursuant to the Tax Decrees, with respect to bonds with a maturity of three years or more, the withholding tax rate on the date of this Offering Circular on interest is 0%. Accordingly, the initial withholding tax rate on interest on the Notes is currently 0%; *however*, in case of early redemption, the redemption date might be considered to be the maturity date and higher withholding tax rates might apply accordingly.

Capital Disqualification Event: If a Capital Disqualification Event (as defined in Condition 8.4) occurs at any time after the Issue Date, then the Issuer will have the right to redeem all, but not some only, of the Notes at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption. It should be noted that, notwithstanding the occurrence of a Capital Disqualification Event, the Notes will maintain their priority set out in Condition 3 and the Issuer will retain its rights to Write-Down the Notes.

Substitution or Variation of the Notes – The Issuer may, if a Tax Event or a Capital Disqualification Event occurs, either substitute the Notes for Qualifying Tier 2 Securities or vary the terms of the Notes so that they remain or become Qualifying Tier 2 Securities

Subject to Condition 8.9, if at any time a Tax Event or a Capital Disqualification Event has occurred that then allows the Issuer to redeem the Notes pursuant to Condition 8.3 or 8.4, as the case may be, the Issuer may, instead of giving notice to redeem the Notes pursuant to Condition 8.3 or 8.4, as the case may be, but subject to compliance with Applicable Banking Regulations (including, if applicable, the prior approval of the BRSA), at any time (without any requirement for the consent or approval of the Noteholders) either substitute all (but not some only) of the Notes for Qualifying Tier 2 Securities or vary the terms of the Notes so that they remain or become (as applicable) Qualifying Tier 2 Securities.

There can be no assurance that, due to the particular circumstances of each Noteholder, any Qualifying Tier 2 Securities will be as favourable to each Noteholder in all respects or that, if it were entitled to do so, a particular Noteholder would make the same determination as the Issuer as to whether the terms of the relevant Qualifying Tier 2 Securities are not materially less favourable to the Noteholders than the terms of the Notes. The Noteholders will have no recourse to the Issuer for any adverse effects of such substitution or variation (including, without limitation, with respect to any adverse tax consequences suffered by any Noteholder).

TERMS AND CONDITIONS OF THE NOTES

The following (except for the paragraphs in italics, which are included for informational purposes only) is the text of the Terms and Conditions of the Notes that will be incorporated by reference into each Global Note and endorsed on or attached to each Definitive Note.

Terms and Conditions of the Notes

The US\$500,000,000 Fixed Rate Resettable Tier 2 Notes due 2037 (the “Notes,” which expression shall in these Terms and Conditions (these “Conditions”), unless the context otherwise requires, include any further notes issued pursuant to Condition 16 and forming a single series with the then-outstanding Notes) are issued by Türkiye İş Bankası A.Ş. (the “Issuer”) pursuant to the Amended and Restated Agency Agreement dated 26 March 2024 as supplemented by the First Supplemental Agency Agreement dated 4 April 2025 and a supplemental agency agreement dated 30 January 2026 (the “Issue Date”) (such agreement as further amended, supplemented and/or restated from time to time, the “Agency Agreement”) and made among: (a) the Issuer, (b) The Bank of New York Mellon, London Branch, as fiscal and principal paying agent and exchange agent (the “Fiscal Agent” and the “Exchange Agent,” which expressions shall, respectively, include any successor fiscal agent and exchange agent) and the other paying agents named therein (with the Fiscal Agent, the “Paying Agents,” which expression shall include any additional or successor paying agents), (c) The Bank of New York Mellon, New York Branch, as transfer agent (with the Registrar (as defined below), the “Transfer Agents,” which expression shall include any additional or successor transfer agents), and (d) The Bank of New York Mellon SA/NV, Luxembourg Branch, as registrar (the “Registrar,” which expression shall include any successor registrar).

References to “Notes” in these Conditions shall, unless the context otherwise requires, mean: (a) in relation to any Notes represented by a global note (a “Global Note”), such Global Note or any nominal amount thereof of a Specified Denomination, and (b) in relation to any Notes in definitive form (a “Definitive Note”), such Definitive Notes.

Any reference to a “Noteholder” or “holder” in relation to a Note means the Person(s) (as defined below) in whose name such Note is registered in the Register (as defined below) and shall, in relation to any Notes represented by a Global Note, be construed as provided below.

The Noteholders are entitled to the benefit of a deed of covenant dated 26 March 2024 and made by the Issuer (such deed of covenant as amended, supplemented and/or restated from time to time, the “Deed of Covenant”). The original of the Deed of Covenant is held by the common depositary for Euroclear Bank SA/NV (“Euroclear”) and Clearstream Banking S.A. (“Clearstream, Luxembourg”).

Copies of the Agency Agreement, a deed poll dated 26 March 2024 and made by the Issuer (such deed poll as amended, supplemented and/or restated from time to time, the “Deed Poll”) and the Deed of Covenant are available for inspection during normal business hours at the Specified Office (as defined in Condition 13) of each of the Fiscal Agent, the other Paying Agents, the Registrar, the Exchange Agent and the other Transfer Agents (such agents and the Registrar being together referred to as the “Agents”) by any Noteholder that produces evidence satisfactory to the Issuer and the relevant Agent as to its holding of the Notes (or beneficial interests therein) and identity. The Noteholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed Poll and the Deed of Covenant. The statements in these Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and these Conditions, these Conditions shall prevail.

In these Conditions: (a) “U.S. dollars” and “US\$” mean the lawful currency for the time being of the United States of America, (b) the term “law” shall (unless the context otherwise requires) be deemed to include legislation, regulations and other legal requirements and (c) unless the contrary intention appears, a reference to a law (including a provision of a law) is a reference to that law (or provision) as extended, amended or re-enacted.

1. FORM, DENOMINATION AND TITLE

1.1 Form and Denomination

The Notes are in registered form, will be numbered serially with an identifying number that the Issuer will procure to be recorded on the relevant Global Note or Definitive Note and in the register of holders of the Notes maintained by the Registrar outside of the United Kingdom (the “*Register*”). The Notes shall be in U.S. dollars and issued in amounts of US\$200,000 and integral multiples of US\$1,000 in excess thereof (each a “*Specified Denomination*”).

The Issuer is issuing the Notes: (a) as Tier 2 Capital in compliance with Article 8 of the Equity Regulation (as defined in Condition 3.4), including being subject to the provisions of sub-paragraph 2 of such Article 8, and (b) pursuant to the Turkish Commercial Code (Law No. 6102), the Capital Markets Law (Law No. 6362) of the Republic of Türkiye (“*Türkiye*”) and the Communiqué on Debt Instruments No. VII-128.8 issued by the Turkish Capital Markets Board (in Turkish: *Sermaye Piyasası Kurulu*) (the “*CMB*”). The proceeds of the Notes shall be fully paid in cash to the Issuer.

1.2 Title to the Notes

Subject as set out below, title to the Global Notes and Definitive Notes will pass upon registration of transfer in accordance with the provisions of the Agency Agreement. The Issuer and each of the Agents will (except as otherwise required by law) deem and treat the registered holder of any Global Note or Definitive Note as the absolute owner thereof (whether or not any payment on such Note is overdue and regardless of any notice of ownership, trust or any other interest or any writing on, or the theft or loss of, such Global Note or Definitive Note) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the following paragraphs of this Condition 1.2.

For so long as The Depository Trust Company (“*DTC*”) or its nominee is the registered holder of a Global Note, DTC or such nominee, as the case may be, will be considered the sole owner and holder of the Notes represented by such Global Note for all purposes under the Agency Agreement and such Notes except to the extent that in accordance with DTC’s published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through DTC’s participants. The expressions “*Noteholder*” and “*holder of Notes*” and related expressions shall, for the purposes of any such Global Note, be construed accordingly.

For so long as any of the Notes is represented by a Global Note deposited with and registered in the name of a nominee of a common depository for Euroclear and/or Clearstream, Luxembourg, each Person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg, as the case may be, as the holder of a particular principal amount of such Global Note (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg, as the case may be, as to the principal amount of such Global Note standing to the account of any Person shall be conclusive and binding for all purposes except in the case of manifest or proven error) shall, upon receipt of such certificate or other document by the Issuer or an Agent, be treated by the Issuer or such Agent (as applicable) as if such Person were the holder of such principal amount of such Notes (and the registered holder of such Global Note shall be deemed not to be the holder) for all purposes other than with respect to the payment of principal, interest or other amounts on such Global Note, for which purpose the registered holder of such Global Note shall be treated by the Issuer and each Agent as the holder of such principal amount of such Notes in accordance with and subject to the terms of such Global Note; *it being understood* that, with respect to any beneficial interests held by (or on behalf of) Euroclear and/or Clearstream, Luxembourg in a Global Note held by DTC or a nominee thereof, the rules of the preceding paragraph shall apply. The expressions “*Noteholder*” and “*holder of Notes*” and related expressions shall, for the purposes of any Global Note as described in this paragraph, be construed accordingly.

Notes that are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of the applicable clearing system.

2. TRANSFERS OF NOTES

2.1 Transfers of Beneficial Interests in Global Notes

Transfers of beneficial interests in Global Notes will be effected by DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and (in turn) by direct and (if appropriate) indirect participants in such clearing systems acting

on behalf of transferors and transferees of such beneficial interests. A beneficial interest in a Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for a Definitive Note or for a beneficial interest in another Global Note, in each case, only in a Specified Denomination (and provided that the outstanding principal balance of such beneficial interest of the transferor not so transferred is an amount of at least the minimum Specified Denomination) and only in accordance with the then-applicable rules and operating procedures of DTC, Euroclear or Clearstream, Luxembourg, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement and the relevant Global Note. Transfers of a Global Note registered in the name of a nominee of DTC shall be limited to transfers of such Global Note, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee.

2.2 Transfers of Definitive Notes

Upon the terms and subject to the conditions set forth in the Agency Agreement, a Definitive Note may be transferred in whole or in part (in a Specified Denomination) (and provided that, if transferred in part, then the outstanding principal balance of such Definitive Note not so transferred is an amount of at least the minimum Specified Denomination). In order to effect any such transfer: (a) the holder(s) must: (i) surrender such Definitive Note for registration of the transfer thereof (or of the relevant part thereof) at the Specified Office of any Transfer Agent, with the form of transfer thereon duly executed by such holder(s) (or by one or more attorney(s) duly authorised in writing therefor), and (ii) complete and deliver such other certifications as may be required by the relevant Transfer Agent and (b) the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the Person(s) making the request. Any such transfer will be subject to such additional reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial such regulations being set out in the Agency Agreement).

Interest on the Notes will be payable semi-annually in arrear on each of 5 February and 5 August (each an “*Interest Payment Date*”) in each year up to (and including) the Maturity Date in respect of the relevant Interest Period. As a result, there will be a long first Interest Period from (and including) the Issue Date to (but excluding) the first Interest Payment Date of 5 August 2026.

In the case of any Write-Down of the Notes pursuant to Condition 6.1, interest will be paid on the Notes:

6. LOSS ABSORPTION UPON THE OCCURRENCE OF A NON-VIABILITY EVENT

6.1 Write-Down of the Notes

Under Article 8(2)(g) of the Equity Regulation, to be eligible for inclusion as Tier 2 Capital of the Issuer, it should, among other things, be possible pursuant to the terms of the Notes for the Notes to be written down or converted into equity of the Issuer upon the decision of the BRSA in the event that it is probable that: (a) the operating licence of the Issuer may be revoked or (b) shareholders' rights (except to dividends) and the management and supervision of the Issuer may be transferred to the SDIF, in each case pursuant to Article 71 of the Banking Law (as further defined below, a Non-Viability Event). For the purposes of the Notes, the Issuer has elected pursuant to Article 8(2)(g) of the Equity Regulation to provide for the permanent write-down of the Notes as follows, and not their conversion into equity, upon the occurrence of a Non-Viability Event.

If a Non-Viability Event occurs at any time, then the Issuer shall:

- (a) *pro rata* with the other Notes and (if any exist) all Parity Loss-Absorbing Instruments, and
- (b) in conjunction with, and such that no Write-Down (as defined below) shall take place without there also being:
 - (i) the maximum possible reduction in the principal amount of, and/or corresponding conversion into equity being made or other similar or equivalent action being taken in respect of, all Junior Loss-Absorbing Instruments (including Additional Tier 1 Capital) in accordance with the provisions of such Junior Loss-Absorbing Instruments, and
 - (ii) the implementation of Statutory Loss-Absorption Measures, involving the absorption by all Junior Obligations (including common equity Tier 1 capital (in Turkish: *çekirdek sermaye*)) to the maximum extent allowed by applicable law of the relevant loss(es) giving rise to the Non-Viability of the Issuer within the framework of the procedures and other measures by which the relevant loss(es) of the Issuer giving rise to the Non-Viability Event may be absorbed by such Junior Obligations pursuant to Article 71 of the Banking Law and/or otherwise under Turkish law,

reduce the then Prevailing Principal Amount of each outstanding Note by the relevant Write-Down Amount (any such reduction, a “Write-Down,” and “Written Down” and “Writing Down” shall be construed accordingly).

For these purposes, any determination of a Write-Down Amount shall take into account the absorption of the relevant loss(es) by all Junior Obligations to the maximum extent possible or otherwise allowed by applicable law and the Writing Down of the Notes *pro rata* with (if any exist) all Parity Loss-Absorbing Instruments, thereby maintaining the respective rankings described under Condition 3.1.

As of the date of this Offering Circular, there are a number of corrective, rehabilitative and restrictive measures that the BRSA may require to be taken under Articles 68 to 70 of the Banking Law prior to any determination of Non-Viability of the Issuer. In conjunction with any such determination by the BRSA, losses might be absorbed by shareholders of the Issuer pursuant to Article 71 of the Banking Law upon: (a) the transfer of shareholders’ rights (except to dividends) and the management and supervision of the Issuer to the SDIF, on the condition that such losses are deducted from the capital of the shareholders, and/or (b) the revocation of the Issuer’s operating licence and its liquidation; however, the Write-Down of the Notes under the Equity Regulation might take place before any such transfer or liquidation.

As noted in the first italicised paragraph of this Condition 6.1, while the Notes may be Written Down before any transfer or liquidation as described in the preceding paragraph, a Write-Down must take place in conjunction with such transfer of shareholders’ rights to the SDIF or the revocation of the Issuer’s operating licence and liquidation, in each case pursuant to Article 71 of the Banking Law, in order that the respective rankings described in Condition 3.1 are maintained and the relevant loss(es) are absorbed by Junior Obligations to the maximum extent possible. In this respect, such action will be taken as is decided by the BRSA. Where a Write-Down of the Notes takes place before the liquidation of the Issuer, Noteholders would only be able to claim and prove in such liquidation in respect of the Prevailing Principal Amount (if any) of the Notes following the Write-Down.

The Issuer shall notify the Noteholders of any Non-Viability Event in accordance with Condition 14 as soon as practicable upon receiving notice thereof from the BRSA; *provided* that, prior to the publication of such notice, the Issuer shall deliver to the Fiscal Agent the statement(s) in writing received from (or published by) the BRSA of its determination of such Non-Viability Event. The Issuer shall further notify the Noteholders in accordance with Condition 14 and deliver to the Fiscal Agent the statement(s) in writing received from (or published by) the BRSA specifying the Write-Down Amount as soon as practicable upon receiving notice thereof from the BRSA. Any failure by the Issuer to give any such notice to or otherwise to so notify or deliver such statement(s) to Noteholders and/or the Fiscal Agent shall not in any way impact on the effectiveness of, or otherwise invalidate, any Write-Down or give Noteholders any rights.

6.2 No Default

The occurrence of a Non-Viability Event or any Write-Down shall not constitute a default or the occurrence of any event related to the bankruptcy, winding-up or insolvency of the Issuer or entitle Noteholders to take any action to cause the Issuer to be declared bankrupt or insolvent or for the dissolution, winding-up or liquidation of the Issuer.

6.3 Write-Down May Occur on More than One Occasion and Noteholders will have no Further Claim in respect thereof

A Non-Viability Event may occur on more than one occasion and, accordingly, the Notes may be Written Down on more than one occasion, with each such Write-Down to involve the reduction of the then Prevailing Principal Amount of each outstanding Note by the relevant Write-Down Amount.

Noteholders will have no further claim against the Issuer in respect of any Written-Down Amount and if, at any time, the Notes are Written Down in full, then the Notes shall be cancelled following payment of interest accrued and unpaid to (but excluding) the date of such final Write-Down and the Noteholders will have no further claim against the Issuer in respect of any Notes.

6.4 Defined Terms

For the purposes of these Conditions:

“*Junior Loss-Absorbing Instrument*” means any Other Non-Viability Event Loss-Absorbing Instrument that is or represents a Junior Obligation,

“*Non-Viability Event*” means the determination by the BRSA that, upon the incurrance of a loss by the Issuer (on a consolidated or non-consolidated basis), the Issuer has become, or it is probable that the Issuer will become, Non-Viable,

“*Non-Viable*” means where the Issuer is at the point at which the BRSA may determine pursuant to Article 71 of the Banking Law that: (a) the Issuer’s operating licence is to be revoked and the Issuer liquidated or (b) the rights of all of the Issuer’s shareholders (except to dividends), and the management and supervision of the Issuer, are to be transferred to the SDIF on the condition that losses are deducted from the capital of existing shareholders, and “*Non-Viability*” shall be construed accordingly,

“*Other Non-Viability Event Loss-Absorbing Instrument*” means any security, other instrument, loan or other obligation (other than the Notes) that has provision for all or some of its principal amount to be reduced, converted into equity and/or subjected to other similar or equivalent action (in accordance with its terms or otherwise) on the occurrence or as a result of a Non-Viability Event (which shall not include Ordinary Shares or any other security, other instrument, loan or other obligation that does not have such provision in its terms or otherwise but that is subject to any Statutory Loss-Absorption Measure),

“*Parity Loss-Absorbing Instrument*” means any Other Non-Viability Event Loss-Absorbing Instrument that is or represents a Parity Obligation,

“*SDIF*” means the Savings Deposit Insurance Fund (in Turkish: *Tasarruf Mevduatı Sigorta Fonu*) of Türkiye,

“*Statutory Loss-Absorption Measure*” means the transfer of shareholders’ rights (except to dividends) and the management and supervision of the Issuer to the SDIF pursuant to Article 71 of the Banking Law or any analogous procedure or other measure under the applicable laws of Türkiye by which the relevant loss(es) of the Issuer giving rise to the Non-Viability Event may be absorbed by Junior Obligations, and

“*Write-Down Amount*,” in respect of an outstanding Note, means the amount by which the Prevailing Principal Amount of such Note as of the date of the relevant Write-Down is to be Written Down, which shall be determined as described in Condition 6.1 and may be all or part only of such Prevailing Principal Amount, in each case as specified in writing (including by way of publication) by the BRSA (and “*Written-Down Amount*” shall be construed accordingly).

While a Write-Down of the Notes may take place before the absorption of the relevant loss(es) giving rise to the Non-Viability Event to the maximum extent possible by Junior Obligations, such loss absorption might be taken into account by the BRSA, where relevant, in the determination of the Write-Down Amount in order for the respective rankings described in Condition 3.1 to be maintained on any Write-Down as provided in Condition 6.1.

6.5 Agents not Liable for Losses

No Agent shall have any responsibility for, or liability or obligation in respect of, any loss, claim or demand incurred as a result of or in connection with a Non-Viability Event (or its disapplication, if applicable) or any consequent Write-Down or any cancellation of any Notes (in whole or in part), and no Agent shall be responsible for any calculation or determination, or the verification of any calculation or determination, in connection with the foregoing in this Condition.

7. PAYMENTS

7.1 Method of Payment

Except as provided in this Condition 7, payments will be made by credit or transfer to an account in U.S. dollars (or any account to which U.S. dollars may be credited or transferred) maintained by the payee.

Such payments shall be made by transfer to the Designated Account of the holder (or the first named of joint holders) of such Note appearing in the Register at the close of business at the Specified Office of the Registrar on the 15th day before the relevant due date (or, if such 15th day is not a day on which banks are open for business in the city where the Specified Office of the Registrar is located, then the first such day prior to such 15th day) (in each case, the “*Record Date*”). For these purposes, “*Designated Account*” means the account maintained by a holder with a Designated Bank and identified as such in the Register and “*Designated Bank*” means any bank or other financial institution that processes payments in U.S. dollars.

Payment of the interest due on a Note on redemption will be made in the same manner as payment of the principal amount of such Note.

No commissions or expenses shall be charged to such holders by any Agent in respect of any payments of principal or interest on the Notes.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

7.3 General Provisions Applicable to Payments

Except as provided in the Deed of Covenant, the registered holder of a Global Note shall be the only Person entitled to receive payments on the Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, such holder in respect of each amount so paid. Each of the Persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg, as the case may be, as the beneficial owner of a particular principal amount of Notes represented by a Global Note must look solely to DTC, Euroclear or Clearstream, Luxembourg, as the case may be, for such Person's share of each payment so made by (or on behalf of) the Issuer to, or to the order of, the registered holder of such Global Note. Except as provided in the Deed of Covenant, no Person other than the registered holder of a Global Note shall have any claim against the Issuer in respect of any payments due on such Global Note.

7.4 Payment Business Day

If the date for payment of any amount on any Note is not a Payment Business Day, then the holder thereof shall not be entitled to payment of the relevant amount due until the next Payment Business Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

For these purposes, "*Payment Business Day*" means any day (other than a Saturday or Sunday) that is:

8. REDEMPTION AND PURCHASE

8.1 Redemption at Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its then Prevailing Principal Amount on the Maturity Date.

8.2 Redemption at the Option of the Issuer (Issuer Call)

Subject to Condition 8.9, the Issuer may, having given not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all, but not some only, of the Notes, subject (if required by applicable law) to having obtained the prior approval of the BRSA, on any Payment Business Day from (and including) 5 November 2031 to (and including) the Reset Date, in each case at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption.

(each a “*Tax Event*”) then (subject to the following paragraphs of this Condition 8.3) the Issuer may, at its option, having given not less than 30 nor more than 60 days’ notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable and shall specify the date fixed for redemption), subject (if required by applicable law) to having obtained the prior approval of the BRSA, redeem all, but not some only, of the Notes on any Payment Business Day at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 8.3, the Issuer shall deliver to the Fiscal Agent:

- (i) a certificate signed by two authorised signatories of the Issuer stating that the requirements referred to in clauses (a) and/or (b), as the case may be, will apply on the next Interest Payment Date and, in the case of clause (a), cannot be avoided by the Issuer taking reasonable measures available to it,

8.4 Redemption upon a Capital Disqualification Event

If a Capital Disqualification Event occurs at any time after the Issue Date, then (subject to Condition 8.9) the Issuer may, having given not less than 30 nor more than 60 days’ notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable and shall specify the date fixed for redemption, which date shall not be earlier than the date falling three months before the date on which the Notes (or the applicable portion thereof) cease to be eligible for inclusion as Tier 2 Capital of the Issuer), redeem all, but not some only, of the Notes on any Payment Business Day at their respective then Prevailing Principal Amount together with all interest accrued and unpaid to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 8.4, the Issuer shall deliver to the Fiscal Agent: (a) a copy of the confirmation in writing by the BRSA required for the purpose of clause (b) of the definition of Capital Disqualification Event, if applicable, and (b) a certificate signed by two authorised signatories of the Issuer stating that such Capital Disqualification Event has occurred.

8.5 Substitution or Variation instead of Redemption

Subject to Condition 8.9, if at any time a Tax Event or a Capital Disqualification Event has occurred that then allows the Issuer to redeem the Notes pursuant to Condition 8.3 or 8.4, as the case may be, then the Issuer may, instead of giving notice to redeem the Notes pursuant to Condition 8.3 or 8.4, as the case may be, but subject to compliance with Applicable Banking Regulations (including, if applicable, the prior approval of the BRSA) and having given not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable), at any time (without any requirement for the consent or approval of the Noteholders) either substitute all (but not some only) of the Notes for Qualifying Tier 2 Securities or vary the terms of the Notes so that they remain or become (as applicable) Qualifying Tier 2 Securities.

For the purposes of this Condition 8.5, "*Qualifying Tier 2 Security*" means any security or other instrument issued directly or indirectly by the Issuer that:

- (a) has terms not materially less favourable to the Noteholders (when considered generally and without consideration of the individual circumstances of any Noteholder), as reasonably determined by the Issuer following the advice of an independent financial institution of international standing, than the terms of the Notes immediately before such substitution or variation (with respect to a Capital Disqualification Event, without regard to the impact of such Capital Disqualification Event); *provided* that it shall: (i) have a ranking at least equal to that of the Notes (with respect to a Capital Disqualification Event, without regard to the impact of such Capital Disqualification Event), (ii) have the same (or higher) interest rate as the Notes, (iii) have the same Interest Payment Dates as those applying to the Notes, (iv) have: (A) no redemption rights in addition to those in the Notes and (B) a redemption provision that is substantially similar to Condition 8.2, (v) be eligible for inclusion as Tier 2 Capital of the Issuer and (vi) preserve any existing rights under the Notes to any accrued interest on the Notes that has not yet been paid, and

Except to the extent permitted by applicable law, the Notes (and beneficial interests therein) shall not be purchased by, or otherwise assigned and/or transferred to, or for the benefit of: (a) any entity that is controlled by the Issuer or over which the Issuer has significant influence (as contemplated in the Banking Law and the Equity Regulation) (a "*Related Entity*") or (b) the Issuer. If so permitted by applicable law (including, if required by applicable law, subject to having obtained the prior approval of the BRSA), the Issuer and/or any Related Entity may at any time purchase, have assigned or otherwise transferred to it or otherwise acquire (or have a third party do so for its benefit) Notes (or beneficial interests therein) in any manner and at any price in the open market or otherwise, including (without limitation) in its capacity as a broker for a customer. Such Notes (or beneficial interests therein) may be held, resold or, at the option of the Issuer or (with the Issuer's consent) any such Related Entity (as the case may be) for those Notes (or beneficial interests therein) held by it, surrendered or notified to any Paying Agent and/or the Registrar for cancellation pursuant to Condition 8.7.

8.7 Cancellation

All Notes that are redeemed, all Global Notes that are exchanged in full and all Definitive Notes that have (or a portion of which has) been transferred, shall be cancelled by the Agent by which they are redeemed, exchanged or transferred. All Notes so cancelled cannot be reissued or resold and (if such cancellation is for the full amount thereof or is for the cancellation of less than all of a Definitive Note) the applicable Global Note or Definitive Note shall be forwarded to the Registrar for cancellation (if such cancellation is for less than all of a Definitive Note, then a replacement Definitive Note for the remaining Prevailing Principal Amount shall be delivered to the applicable Noteholder).

In addition, the Issuer or any of its Related Entities may, as described in Condition 8.6: (a) surrender to any Paying Agent or the Registrar any Definitive Notes all or a portion of which is to be cancelled or (b) notify the Fiscal Agent and the Registrar of any beneficial interests in a Global Note to be so cancelled, which Notes (or beneficial interests

All Notes so cancelled cannot be reissued or resold and (if such cancellation is for the full amount thereof or is for the cancellation of less than all of a Definitive Note) the applicable Global Note or Definitive Note shall be forwarded to the Fiscal Agent or, as the case may be, the Registrar for cancellation (if such cancellation is for less than all of a Definitive Note, then a replacement Definitive Note for the remaining Prevailing Principal Amount shall be delivered to the Issuer or applicable Related Entity, as applicable).

Each of the other Agents shall deliver all cancelled Definitive Notes to the Fiscal Agent or as the Fiscal Agent may specify.

8.8 No other Redemption or Purchase

Neither the Issuer nor any Related Entity may redeem or purchase the Notes, as applicable, before the Maturity Date other than as provided in this Condition 8.

8.9 Revocation of Notice of Redemption, Substitution or Variation upon the Occurrence of a Non-Viability Event; No Redemption during Non-Viability Event

If the Issuer has given a notice of redemption of the Notes pursuant to Condition 8.2, 8.3 or 8.4 or a notice of substitution or variation pursuant to Condition 8.5 and, after giving such notice but prior to the date of such redemption, substitution or variation, a Non-Viability Event occurs, then the relevant notice of redemption, substitution or variation shall be automatically rescinded and shall be of no force and effect, the Prevailing Principal Amount of each Note will not be due and payable on the scheduled redemption date or substituted or varied, as applicable, and, instead, a Write-Down shall occur in respect of the Notes as described in Condition 6.

Following the occurrence of a Non-Viability Event, the Issuer shall not be entitled to give a notice of redemption of the Notes pursuant to Condition 8.2, 8.3 or 8.4 or a notice of substitution or variation pursuant to Condition 8.5 before a Write-Down has occurred.

9. TAXATION

9.1 Payment without Withholding

All payments of principal and interest on the Notes by (or on behalf of) the Issuer shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, levies, assessments or governmental charges of whatever nature (“*Taxes*”) imposed, assessed or levied by (or on behalf of) any Relevant Jurisdiction unless such withholding or deduction is required by law. In such event, the Issuer shall pay such additional amounts (“*Additional Amounts*”) as shall be necessary in order that the net amounts received by the holders of the Notes after such withholding or deduction shall equal the respective amounts that would have been receivable on the Notes in the absence of such withholding or deduction; *provided* that no Additional Amounts shall be payable in relation to any payment on any Note:

- (a) if the holder or beneficial owner is liable for Taxes in respect of such Note by reason of such holder or beneficial owner having some connection with any Relevant Jurisdiction other than the mere holding of such Note (or beneficial interest therein) or the receipt of payment in respect thereof,
- (b) presented for payment in Türkiye, or
- (c) presented for payment more than 30 days after the Relevant Date except to the extent that a holder of the relevant Note would have been entitled to Additional Amounts on presenting the same for payment on the last day of such 30-day period (assuming that day to have been a Payment Business Day).

Notwithstanding any other provision of these Conditions, in no event will the Issuer, any Paying Agent or any other Person be required to pay any Additional Amounts or other amounts on the Notes for, or on account of, any FATCA Withholding Tax.

9.2 Defined Terms

For the purposes of these Conditions:

“*Relevant Date*” means, with respect to any payment, the date on which such payment first becomes due but, if the full amount of the money payable has not been received by the Fiscal Agent on or before the due date, it means the date on which, the full amount of such money having been so received, notice to that effect has been duly given to the holder of the applicable Note by the Issuer in accordance with Condition 14, and

“*Relevant Jurisdiction*” means: (a) Türkiye or any political subdivision or any authority thereof or therein having power to tax or (b) any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject in respect of payments made by it of principal and interest on the Notes.

10. PRESCRIPTION

Notes will become void unless claims in respect of principal and/or interest with respect thereto are made within a period of 10 years (in the case of principal) and five years (in the case of interest) from the Relevant Date therefor.

11. ENFORCEMENT EVENTS

If:

- (a) default is made by the Issuer in the payment of any principal or interest due on the Notes and the default continues for a period of seven days in the case of principal or 14 days in the case of interest,
- (b) a Subordination Event occurs, or
- (c) any order is made by any competent court, or resolution is passed, for the dissolution, winding-up or liquidation of the Issuer,

(each an “*Enforcement Event*”), then the holder of any Note may:

- (i) in the case of clause (a), institute proceedings for the Issuer to be declared bankrupt or insolvent or for there otherwise to be a Subordination Event, or for the Issuer’s dissolution, winding-up or liquidation, and prove in the winding-up, dissolution or liquidation of the Issuer, and/or
- (ii) in the case of clause (b) or (c), claim or prove in the dissolution, winding-up or liquidation of the Issuer,

but (in either case) may take no further or other action (other than as otherwise provided in this Condition 11) to enforce, claim or prove for any payment by the Issuer on the Notes and may only claim such payment in the dissolution, winding-up or liquidation of the Issuer.

If any of the events or circumstances described in clause (b) or (c) occurs, then the holder of any outstanding Note may give notice to the Issuer that such Note is, and such Note shall accordingly forthwith become, immediately due and repayable at its then Prevailing Principal Amount, with all interest accrued and unpaid to (but excluding) the date of repayment, subject to the subordination provisions described under Condition 3.1.

The holder of any Note may at its discretion institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition, undertaking or provision binding upon the Issuer under the Notes (other than, without prejudice to the provisions above in this Condition, any obligation for the payment of any principal or interest on the Notes); *provided* that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any amount(s) sooner than the same would otherwise have been payable by it, except with the prior approval of the BRSA.

No remedy against the Issuer other than as provided above in this Condition shall be available to the holders of Notes, including for the recovery of amounts owing on the Notes or otherwise in respect of any of the Enforcement Events or in respect of any breach by the Issuer of any of its covenants or other obligations under the Notes.

12. REPLACEMENT OF NOTES

Should any Global Note or Definitive Note be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the Specified Office of the Registrar upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to: (a) evidence of such loss, theft, mutilation, defacement or destruction and (b) indemnity, in each case as the Issuer and/or the Registrar may reasonably require. Mutilated or defaced Global Notes and Definitive Notes must be surrendered before replacements will be issued.

13. AGENTS

The names of the initial Agents and their initial specified offices are set out in the Agency Agreement (each a “*Specified Office*”).

Subject to the terms of the Agency Agreement, the Issuer reserves the right at any time to vary or terminate the appointment of any Agent, appoint additional or other Agents and/or approve any change in the Specified Office through which any Agent acts; *provided that*:

- (a) there will at all times be a Fiscal Agent and a Registrar,
- (b) there will at all times be a Transfer Agent (which may be the Registrar),
- (c) there will at all times be a Paying Agent in a jurisdiction other than the jurisdiction in which the Issuer is incorporated, and

Notice of any variation, termination, appointment or change in Agents and of any changes to the Specified Office of an Agent will be given to the Noteholders promptly by the Issuer in accordance with Condition 14.

Any such variation, termination, appointment or change shall only take effect (other than in the case of the bankruptcy, insolvency or similar event of the applicable Agent or a Paying Agent ceasing to be a FATCA-Compliant Entity or as otherwise prescribed by the Agency Agreement, when it shall be of immediate effect) after not less than 30 nor more than 45 days’ prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholder or other Person. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted, with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

For the purposes of this Condition, “*FATCA-Compliant Entity*” means a Person payments to whom are not subject to any FATCA Withholding Tax.

In addition, for so long as any Note is (at the request of the Issuer) listed on a stock exchange or admitted to trading by another relevant authority and the rules of such stock exchange or relevant authority so require, such notice shall be published on the website of the relevant stock exchange and/or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules.

Notwithstanding the foregoing paragraph, so long as any Global Note is held on behalf of DTC, Euroclear and/or Clearstream, Luxembourg, there may be substituted for such publication in such newspaper(s) or such website(s) or

such delivery or mailing the delivery of the relevant notice to DTC, Euroclear and/or Clearstream, Luxembourg, as applicable, for communication by them to the holders of interests in such Global Note. Any such notice shall be deemed to have been given to the holders of interests in such Global Note on the business day (being for this purpose a day on which DTC, Euroclear or Clearstream, Luxembourg, as the case may be, is open for business) after the day on which such notice was given to DTC, Euroclear and/or Clearstream, Luxembourg, as applicable.

In addition, for so long as any Note is (at the request of the Issuer) listed on a stock exchange or admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, the notice described in the preceding paragraph shall be published on the website of the relevant stock exchange or relevant authority and/or in a daily newspaper of general circulation in the place or places required by those rules.

Notices to be given by any Noteholder shall be in writing in English and given by lodging the same with the Registrar. For so long as any of the Notes are represented by a Global Note, such notice may be given by any holder of an interest in such Global Note to the Fiscal Agent or the Registrar through DTC, Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Fiscal Agent, the Registrar and DTC, Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. MEETINGS OF NOTEHOLDERS AND MODIFICATIONS

15.1 Meetings of Noteholders

The Agency Agreement contains provisions for convening meetings of the Noteholders (including at a physical location or by means of an electronic platform (such as a conference call or videoconference) or a combination thereof) to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of any modification of the Notes (including any of these Conditions) or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer at any time and shall be convened by the Issuer if required in writing by Noteholders holding not less than 5% of the aggregate Prevaling Principal Amount of the Notes for the time being outstanding. A meeting that has been validly convened in accordance with the provisions of the Agency Agreement may be cancelled by the Person(s) who convened (or, if applicable, caused the Issuer to convene) such meeting by giving at least five days' notice (which notice, in the case of a meeting convened by the Issuer, shall be given to the Noteholders in accordance with Condition 14 and to the Fiscal Agent); *provided* that if the Issuer had convened such meeting after having been required to do so by one or more Noteholder(s) pursuant to Clause 3.1 of Schedule 5 of the Agency Agreement, then the Issuer may not so cancel such meeting absent a request to do so from such Noteholder(s).

The quorum at any such meeting for passing an Extraordinary Resolution is one or more eligible Person(s) present and holding or representing in the aggregate at least a majority of the aggregate Prevaling Principal Amount of the Notes for the time being outstanding, or at any adjourned meeting one or more eligible Person(s) present being or representing Noteholders whatever the aggregate Prevaling Principal Amount of the Notes so held or represented; *provided* that at any meeting the business of which includes the modification of certain provisions of the Notes (including these Conditions) (including modifying any date for redemption of the Notes (including on the Maturity Date or pursuant to the provisions of Condition 8.2) or any date for the payment of interest thereon, reducing or cancelling the amount of principal or interest payable on the Notes, altering the currency of payment of any amount due on the Notes, modifying Condition 3 by way of any further subordination of the Notes or the imposition of further restrictions or limitations on the rights or claims of Noteholders, modifying the provisions of Condition 6, 8.5 or 18 or amending the Deed of Covenant in certain respects), the quorum shall be one or more eligible Person(s) present and holding or representing in the aggregate not less than two-thirds of the aggregate Prevaling Principal Amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more eligible Person(s) present and holding or representing in the aggregate not less than one-third of the aggregate Prevaling Principal Amount of the Notes for the time being outstanding. An Extraordinary Resolution duly passed by the Noteholders shall be binding upon all the Noteholders whether or not they are present or represented at any meeting and whether or not they vote on the resolution.

The Agency Agreement provides that (*inter alia*): (a) a resolution in writing signed by (or on behalf of) the Noteholders of not less than 75% of the aggregate Prevaling Principal Amount of the Notes for the time being outstanding (whether such resolution in writing is contained in one document or several documents in the same form, each signed by (or on behalf of) one or more Noteholders) or (b) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Fiscal Agent) by (or on behalf of) the Noteholders of

not less than 75% of the aggregate Prevaling Principal Amount of the Notes for the time being outstanding will, in each case, take effect as if it were an Extraordinary Resolution and shall be binding upon all Noteholders.

15.2 Modification without Noteholder Consent

The Issuer may, without the consent of the Noteholders, effect any modification (except such modifications in respect of which an increased quorum is required as mentioned in Condition 15.1) of any of the Notes (including these Conditions), the Deed of Covenant, the Deed Poll or the Agency Agreement that is, in the opinion of the Issuer, either: (a) for the purpose of curing any ambiguity or of curing or correcting any manifest or proven error or any other defective provision contained herein or therein or (b) following the advice of an independent financial institution of international standing, not materially prejudicial to the interests of the Noteholders. Any such modification shall be binding upon the Noteholders and shall be notified by the Issuer to the Noteholders as soon as reasonably practicable thereafter in accordance with Condition 14. Reference is also hereby made to Condition 8.5.

16. FURTHER ISSUES

The Issuer may from time to time, without the consent of the Noteholders, create and issue further notes having terms and conditions the same as those of the Notes, or the same in all respects except for the amount and/or date of the first payment of interest thereon, the issue date and/or the date from which interest starts to accrue, so that the same shall be consolidated and form a single series with the outstanding Notes; *provided* that the Issuer shall ensure that such further notes will be fungible with such outstanding Notes for U.S. federal income tax purposes as a result of their issuance being a “qualified reopening” under U.S. Treasury Regulation §1.1275-2(k).

17. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No Person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any Person that exists or is available apart from that Act.

18. GOVERNING LAW AND SUBMISSION TO JURISDICTION

18.1 Governing Law

These Conditions, and any non-contractual obligations arising out of or in connection herewith, are and shall be (and the Notes state that they, and any non-contractual obligations arising out of or in connection therewith, are and shall be) governed by, and construed in accordance with, English law, except for the provisions of Condition 3 (including as referred to in Condition 6), which are and shall be governed by, and construed in accordance with, Turkish law.

18.2 Submission to Jurisdiction

- (a) Subject to Condition 18.2(c), the Issuer irrevocably agrees, for the benefit of the Noteholders, that the High Court of Justice of England and Wales in London (and any competent United Kingdom appellate court in respect of any appeal relating to any judgment or order originally of the High Court of Justice of England and Wales in London) have exclusive jurisdiction to settle any dispute, claim, difference or controversy arising out of, relating to or having any connection with the Notes (including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Notes) (a “*Dispute*”) and accordingly submits to the exclusive jurisdiction of such courts with respect thereto.
- (b) For the purpose of this Condition 18.2, in connection with any Dispute, the Issuer waives any objection to the High Court of Justice of England and Wales in London (and any competent United Kingdom appellate court in respect of any appeal relating to any judgment or order originally of the High Court of Justice of England and Wales in London) on the grounds that it is an inconvenient or inappropriate forum to settle such Dispute.
- (c) To the extent allowed by law, the Noteholders may, in respect of any Dispute(s), take any: (i) proceedings against the Issuer in any other court with jurisdiction and (ii) concurrent proceedings in any number of jurisdictions.

18.3 Consent to Enforcement

The Issuer agrees, without prejudice to the enforcement of a judgment obtained in the High Court of Justice of England and Wales in London (and any competent United Kingdom appellate court in respect of any appeal relating to any judgment or order originally of the High Court of Justice of England and Wales in London) according to the provisions of Article 54 of the International Private and Procedure Law of Türkiye (Law No. 5718), that in the event that any action is brought in relation to the Issuer in a court in Türkiye in connection with the Notes, in addition to other permissible legal evidence pursuant to the Civil Procedure Code of Türkiye (Law No. 6100), any judgment obtained in such courts in connection with such action shall constitute conclusive evidence of the existence and amount of the claim against the Issuer pursuant to the provisions of the first paragraph of Article 193 of the Civil Procedure Code of Türkiye (Law No. 6100) and Articles 58 and 59 of the International Private and Procedure Law of Türkiye (Law No. 5718).

18.4 Service of Process

In connection with any Disputes in England, service of process may be made upon the Issuer at any of its branches or other offices in England and the Issuer undertakes that, in the event of its ceasing to have such a branch or other office, the Issuer shall promptly appoint another Person as its agent for that purpose. This Condition does not affect the right to serve process in any other manner allowed by law.

18.5 Other Documents

The Issuer has, in the Agency Agreement, the Deed of Covenant and the Deed Poll, submitted to the jurisdiction of the High Court of Justice of England and Wales in London (and any competent United Kingdom appellate court in respect of any appeal relating to any judgment or order originally of the High Court of Justice of England and Wales in London) and agreed to service of process in terms substantially similar to those set out above in this Condition 18.

PLAN OF DISTRIBUTION

The Bank intends to offer the Notes through the Joint Bookrunners. Subject to the terms and conditions stated in a subscription agreement in respect of the Notes entered into on 28 January 2026 among the Joint Bookrunners and the Bank (the “*Subscription Agreement*”), each of the Joint Bookrunners has severally (and not jointly nor jointly and severally) agreed to purchase, and the Bank has agreed to issue and sell to each of the Joint Bookrunners, the principal amount of the Notes set forth opposite each Joint Bookrunner’s name below at the issue price set forth on the cover of this Offering Circular.

<u>Joint Bookrunners</u>	<u>Principal Amount of Notes</u>
Abu Dhabi Commercial Bank PJSC.....	US\$83,200,000
BNP PARIBAS	US\$83,200,000
Citigroup Global Markets Limited	US\$84,000,000
Emirates NBD Bank PJSC	US\$83,200,000
ING Bank N.V.....	US\$83,200,000
MUFG Securities EMEA plc	US\$83,200,000
Total	US\$500,000,000

The Subscription Agreement provides that the obligation of the Joint Bookrunners to purchase the Notes is subject to the approval of legal matters by counsel and to other conditions. The offering of the Notes by the Joint Bookrunners is subject to receipt and acceptance and subject to the Joint Bookrunners’ right to reject any order in whole or in part.

The Bank has been informed that the Joint Bookrunners propose to resell beneficial interests in the Notes at the issue price set forth on the cover page of this Offering Circular to Persons reasonably believed to be QIBs in reliance upon Rule 144A and to non-U.S. persons in offshore transactions in reliance upon Regulation S (see “Transfer and Selling Restrictions” in the Base Offering Circular). The prices at which beneficial interests in the Notes are offered may be changed at any time without notice.

Offers and sales of the Notes (or beneficial interests therein) in the United States will be made by those Joint Bookrunners or their respective affiliates that are registered broker-dealers under the Exchange Act or in accordance with Rule 15a-6 thereunder.

The Notes have not been registered under the Securities Act or the securities laws of any State or other jurisdiction of the United States and the Notes (and beneficial interests therein) may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S) except in transactions exempt from, or not subject to, the registration requirements of the Securities Act (see “Transfer and Selling Restrictions” in the Base Offering Circular). Accordingly, until the expiration of a 40 day period after the later of the commencement of the offering to Persons other than distributors and the Issue Date (the “*Distribution Compliance Period*”), an offer or sale of Notes (or beneficial interests therein) other than in an offshore transaction to, or for the account or benefit of, any Persons who are not U.S. persons might violate the registration requirements of the Securities Act if that offer or sale is made otherwise than in accordance with an available exemption from the registration requirements of the Securities Act.

Each Joint Bookrunner has agreed in the Subscription Agreement that it will send to each dealer to which it sells the Regulation S Registered Global Note (or beneficial interests therein) during the Distribution Compliance Period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes (or beneficial interests therein) within the United States or to, or for the account or benefit of, U.S. persons substantially to the following effect:

“The Notes covered hereby have not been registered under the Securities Act of 1933, as amended (the “*Securities Act*”), of the United States of America and may not be offered and sold within the United States or to, or for the account or benefit of, U.S. persons: (a) as part of their distribution at any time or (b) otherwise until the expiration of a 40 day period after the later of the commencement of the offering to persons other than distributors and the Issue Date, except, in either case, in accordance with Rule 144A under the Securities Act or in an offshore transaction. Terms used above have the meanings given to them by Regulation S under the Securities Act.”

For a description of certain other restrictions on the sale and transfer of investments in the Notes, see “Transfer and Selling Restrictions” in the Base Offering Circular.

While application has been made by the Bank to Euronext Dublin for the Notes to be admitted to the Official List and to trading on GEM and this Offering Circular has been approved by Euronext Dublin, the Notes constitute a new class of securities with a limited trading market. The Bank cannot provide any assurances to investors that the prices at which the

Notes (or beneficial interests therein) will sell in the market will not be lower than the initial offering price or that an active trading market for the Notes will develop. The Joint Bookrunners have advised the Bank that they currently intend to make a market in the Notes; *however*, they are not obligated to do so and they may discontinue any market-making activities with respect to the Notes at any time without notice.

One or more of the Joint Bookrunners might engage in transactions that stabilise, maintain or otherwise affect the market price of the Notes (or beneficial interests therein) during and after the offering of the Notes. Specifically, a Joint Bookrunner might overallocate or create a short position in the Notes (or beneficial interests therein) for its own account by selling more Notes (or beneficial interests therein) than have been sold to it by the Issuer. A Joint Bookrunner might also elect to cover any such short position by purchasing Notes (or beneficial interests therein) in the open market. In addition, one or more of the Joint Bookrunners might stabilise or maintain the market price of an investment in the Notes by bidding for or purchasing Notes (or beneficial interests therein) in the open market and might impose penalty bids, under which selling concessions allowed to syndicate members or other broker-dealers participating in the offering of the Notes are reclaimed if Notes (or beneficial interests therein) previously distributed in the offering are repurchased in connection with stabilisation transactions or otherwise. The effect of these transactions might be to stabilise or maintain the market price of an investment in the Notes at a level above that which might otherwise prevail in the open market. The imposition of a penalty bid might also affect the market price of an investment in the Notes to the extent that it discourages resales thereof. None of the Issuer or any of the Joint Bookrunners makes any representation: (a) that any Joint Bookrunner will engage in these transactions or that these transactions, if commenced, will not be discontinued without notice or (b) as to the magnitude or effect of any such stabilising or other transactions. Under English law, stabilisation activities may only be carried on by the Stabilisation Manager (or Persons acting on behalf of the Stabilisation Manager) and only for a limited period following the Issue Date.

Investors in the Notes who wish to trade interests in the Notes on their trade date or otherwise before the Issue Date should consult their own advisor.

All or certain of the Joint Bookrunners and their respective affiliates are full service financial institutions engaged in various activities, which might include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The Joint Bookrunners and/or certain of their respective affiliates might have performed investment banking and advisory services for the Issuer and/or the Issuer's affiliates from time to time for which they might have received fees, expenses, reimbursements and/or other compensation. The Joint Bookrunners and/or certain of their respective affiliates might, from time to time, engage in transactions with, and perform advisory and other services for, the Issuer and/or the Issuer's affiliates in the ordinary course of their business. Certain of the Joint Bookrunners and/or their respective affiliates have acted and expect in the future to act as a lender to the Issuer and/or other members of the Group and/or otherwise participate in transactions with the Group.

In addition, in the ordinary course of their business activities, the Joint Bookrunners and their respective affiliates might make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers and might at any time hold long and short positions in such securities and instruments. Such investments and securities activities might involve securities and/or instruments of the Issuer and/or its affiliates. In addition, certain of the Joint Bookrunners and/or their respective affiliates that have a credit relationship with the Issuer and/or any other member of the Group might from time to time hedge their credit exposure to the Issuer and/or other members of the Group pursuant to their customary risk management policies. Typically, the Joint Bookrunners and their respective affiliates would hedge such exposure by entering into transactions that consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes. These hedging activities might have an adverse effect on the trading price of an investment in the Notes.

The Joint Bookrunners and their respective affiliates might also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and might hold, or recommend to clients that they acquire, long and/or short positions in such securities and/or instruments.

The Bank has agreed in the Subscription Agreement, in connection with the issue and offering of the Notes, to indemnify each Joint Bookrunner against certain liabilities, or to contribute to payments that the Joint Bookrunners are required to make because of those liabilities.

LEGAL MATTERS

Certain matters relating to the issuance of the Notes will be passed upon for the Bank by Mayer Brown LLP (or affiliates thereof) as to matters of English and United States law and by Özmen Yalçın Avukatlık Ortaklığı as to matters of Turkish law (including with respect to tax-related matters). Certain matters of English and United States law will be passed upon for the Joint Bookrunners by Allen Overy Shearman Sterling LLP and certain matters of Turkish law will be passed upon for the Joint Bookrunners by Gedik Eraksoy Avukatlık Ortaklığı (including with respect to tax-related matters).

Listing of the Notes

Application has been made to Euronext Dublin for the Notes to be admitted to the Official List and to trading on GEM and this Offering Circular has been approved by Euronext Dublin. It is expected that admission of the Notes to the Official List and to trading on GEM will be granted on the Issue Date, subject only to the issue of the Notes. GEM is not a regulated market for the purposes of MiFID II.

Listing Agent

Arthur Cox Listing Services Limited is acting solely in its capacity as Irish listing agent for the Bank in connection with the Notes and is not itself seeking admission of the Notes to the Official List or to trading on GEM.

Documents Available

For as long as the Notes are admitted to the Official List and to trading on GEM, the following documents (or copies thereof) may be inspected at the registered office of the Issuer:

(a) the articles of incorporation (with a certified English translation thereof) of the Issuer,

(b) the BRSA Financial Statements incorporated by reference herein or, when published, copies of the latest audited annual and unaudited interim financial statements of the Bank (in English) delivered by the Bank pursuant to Condition 4.2 (for the purpose of clarification, such financial statements are not, and shall not be deemed to be, included in (or incorporated by reference into) this Offering Circular),

(c) the Amended and Restated Agency Agreement dated 26 March 2024 as supplemented by the First Supplemental Agency Agreement dated 4 April 2025 (including the forms of the Deed of Covenant and the Deed Poll in such agreement) as supplemented by a supplemental agency agreement thereto dated the Issue Date relating to the Notes; *it being understood* that such does not include any other supplement to such Amended and Restated Agency Agreement, and

(d) a copy of this Offering Circular, the Original Base Offering Circular and the First Supplement.

In addition, for such period, copies of the documents that are to be available as described in clauses (a) through (d) are (or, as applicable, are expected to be) available in electronic format on the Issuer's website (as of the date hereof, at: <https://www.isbank.com.tr/en/about-us/investor-relations>); *provided* that: (i) the articles of incorporation of the Issuer can be found at <https://www.isbank.com.tr/en/about-us/corporate-information> and (ii) with respect to such documents (or portions thereof) that are incorporated by reference herein, see "Documents Incorporated by Reference" above. Such website does not, and shall not be deemed to, constitute a part of, nor is incorporated into, this Offering Circular.

Clearing Systems

The Rule 144A Global Note(s) has/have been accepted into DTC's book-entry settlement system and the Regulation S Registered Global Note has been accepted for clearance through Euroclear and Clearstream, Luxembourg (CUSIP: 900151 AP6, ISIN: US900151AP66, Common Code: 327616307, CFI Code: DBFUGR and FISN: TURKIYE IS BANK/7.575 NT 20370205 U with respect to the Rule 144A Global Note(s) and ISIN: XS3264004329, Common Code:

326400432, CFI Code: DTFNFR and FISN: TURKIYE IS BANK/7.575EMTN 20370205 with respect to the Regulation S Registered Global Note).

Scheduled payments on each Note will be paid only to the Person in whose name such Note was registered in the Register at the close of business on the applicable Record Date. With respect to Notes represented by a Global Note on a Record Date, this thus means that payment will be made by (on or behalf of) the Issuer to the applicable Clearing System (or its nominee or depository) and, as a result, each holder of a beneficial interest in such Global Note should consider that such Clearing System might credit the account of its applicable direct participant(s) only after receipt of payment from the Issuer (including potentially applying such credits on a later day) and/or might use a different application process (such as a record date that differs from the Record Date), which payment such direct participants might themselves only credit to the account of their own customers as per their own timing and other procedures (and so on through any indirect participant(s) until the ultimate investor's account is credited with funds). As noted in the Base Offering Circular, payments by Clearing Systems to their direct participants and then by such direct participants (and indirect participants) to their own customers will be governed by standing instructions and customary practices and will be the responsibility of the Clearing Systems and such participants and not of the Issuer. For example, notwithstanding the Record Date established in the Conditions of the Notes, the Issuer has been advised by DTC that, through DTC's accounting and payment procedures, DTC will, in accordance with its customary procedures, credit payments received by DTC on any payment date based upon DTC's Direct Participants' holdings of beneficial interests in the Notes on the close of business on the New York Business Day immediately preceding each such payment date (and Direct Participants and Indirect Participants are expected to credit such amounts to the accounts of DTC Beneficial Owners, which credits will be made pursuant to such Participants' procedures). A "New York Business Day" for these purposes is a day other than a Saturday, a Sunday or any other day on which banking institutions in New York City, New York are authorised or required by law or executive order to close.

As of the date hereof: (a) the address of Euroclear is Euroclear Bank SA/NV, 1 Boulevard du Roi Albert II, B-1210 Brussels, Belgium, (b) the address of Clearstream, Luxembourg is Clearstream Banking S.A., 42 Avenue JF Kennedy, L-1855 Luxembourg and (c) the address of DTC is The Depository Trust Company, 55 Water Street, New York City, New York 10041, United States of America.

No Material Adverse Change or Significant Change

As of the date of this Offering Circular, the Issuer hereby confirms that, other than to the extent described in (including in the information incorporated by reference into) this Offering Circular, there has been: (a) no material adverse change in the prospects of the Issuer since 31 December 2024 and (b) no significant change in the financial or trading position of the Issuer or the Group since 30 September 2025.

Legal and Arbitration Proceedings

Neither the Bank nor any other member of the Group is or has been involved in any governmental, legal or arbitration proceedings (including any such proceedings that are pending or threatened of which the Bank is aware) in the 12 months preceding the date of this Offering Circular that might have or in such period had significant effects on the Bank's and/or the Group's financial position or profitability.

Interests of Natural and Legal Persons Involved in the Issue

Except with respect to the fees to be paid to the Joint Bookrunners, as far as the Bank is aware, no natural or legal person involved in the issue of the Notes has an interest, including a conflicting interest, that is material to the issue of the Notes.

Independent Auditors

The 2023 BRSA Annual Financial Statements have been audited by independent auditors Güney Bağımsız Denetim ve Serbest Muhasebeci Mali Müşavirlik Anonim Şirketi (a member firm of Ernst & Young Global Limited) ("EY"), all in accordance with the Turkish Auditor Regulation and the Standards on Independent Auditing, which is a component of the Turkish Auditing Standards published by the Public Oversight Accounting and Auditing Standards Authority (the "POA") as stated in EY's audit report included in each of the 2023 BRSA Annual Financial Statements.

The 2024 BRSA Annual Financial Statements have been audited by independent auditors PwC Bağımsız Denetim ve Serbest Muhasebeci Mali Müşavirlik A.Ş. ("PwC"), all in accordance with the Turkish Auditor Regulation and the

The BRSA Interim Financial Statements were reviewed by PwC in accordance with the Standard on Review Engagements (SRE) 2410 ("Review of Interim Financial Information Performed by the Independent Auditor of the Entity"). See PwC's independent auditor's review report included within each of the BRSA Interim Financial Statements. PwC's review report included within each of the BRSA Interim Financial Statements notes that: (a) a review of interim financial information: (i) consists of making inquiries, primarily of persons responsible for financial reporting process, and applying analytical and other review procedures and (ii) is substantially less in scope than an independent audit conducted in accordance with the Standards on Independent Auditing, (b) it does not express an opinion on the financial statements and (c) consequently, a review of the interim financial information does not provide assurance that the audit firm will be aware of all significant matters that would have been identified in an audit and PwC has not expressed an audit opinion with respect to the BRSA Interim Financial Statements. Accordingly, the degree of reliance upon PwC's reports on such information should be restricted in light of the limited nature of the review procedures applied.

Each of EY's and PwC's reports included in the BRSA Annual Financial Statements incorporated by reference herein contains a qualification (see "Risk Factors – Risks Relating to the Group and its Business – Other Group-Related Risks – Audit Qualification" in the Base Offering Circular and "Documents Incorporated by Reference" herein for further information). Neither of PwC's review reports included in the BRSA Interim Financial Statements incorporated by reference herein include a qualification.

EY, which is an independent auditor in Türkiye and is authorised by the BRSA to conduct independent audits of banks in Türkiye, is located at Maslak Mahallesi Eski Büyükdere Cad. Orjin Plaza No:27 Kat: 2-3-4, Daire: 54-57-59, 34485 Sarıyer, İstanbul, Türkiye.

Material Contracts

The Bank has not entered into any material contract outside the ordinary course of its business that could result in the Bank being under an obligation or entitlement that is material to its ability to meet its obligations to investors in respect of the Notes.
